I Both outputs and inputs are services and commodities. Leonardo Felli (LSE) EC487 Advanced Microeconomics ... EC487 Advanced Microeconomics, Part I: Lecture 1 Within the broad church of microeconomics, there are different theories that emphasise certain assumptions and expectations of economic behaviour. The most important theory is neo-classical theory, which places emphasis on free-markets and the assumption individuals are rational and seek to maximise utility. However, there are many

critiques of the neo-classical model, arguing economics is more complex with issues of market failure and irrational behaviour.
