Untold Story Nov 30 2022 Imagines what the fate of Princess Diana might have been had she not died in Paris in 1997, in a story about the cost of fame and the possibility of reinventing a life.

Lost Colony Jan 09 2021 How a Chinese pirate defeated European colonialists and won Taiwan during the seventeenth century During the seventeenth century, Holland created the world's most dynamic colonial empire, outcompeting the British and capturing Spanish and Portuguese colonies. Yet, in the Sino-Dutch War—Europe's first war with China—the Dutch met their match in a colorful Chinese warlord named Koxinga. Part samurai, part pirate, he led his generals to victory over the Dutch and captured one of their largest and richest colonies—Taiwan. How did he do it? Examining the strengths and weaknesses of European and Chinese military techniques during the period, *Lost Colony* provides a balanced new perspective on long-held assumptions about Western power, Chinese might, and the nature of war. It has traditionally been asserted that Europeans of the era possessed more advanced science, technology, and political structures than their Eastern counterparts, but historians have recently contested this view, arguing that many parts of Asia developed on pace with Europe until 1800. While *Lost Colony* shows that the Dutch did indeed possess a technological edge thanks to the Renaissance fort and the broadside sailing ship, that edge was neutralized by the formidable Chinese military leadership. Thanks to a rich heritage of ancient war wisdom, Koxinga and his generals outfoxed the Dutch at every turn. Exploring a period when the military balance between Europe and China was closer than at any other point in modern history, *Lost Colony* reassesses an important chapter in world history and offers valuable and surprising lessons for contemporary times.

A Forest of Kings May 25 2022 The recent interpretation of Maya hieroglyphs has given us the first written history of the New World as it existed before the European invasion. In this book, two of the first central figures in the massive effort to decode the glyphs, Linda Schele and David Freidel, make this history available in all its detail. *A Forest of Kings* is the story of Maya kingship, from the beginning of its institution and the first great pyramid builders two thousand years ago to the decline of Maya civilization and its destruction by the Spanish. Here the great historic rulers of pre-Columbian civilization come to life again with the decipherment of their

writing. At its height, Maya civilization flourished under great kings like Shield-Jaguar, who ruled for more than sixty years, expanding his kingdom and building some of the most impressive works of architecture in the ancient world. Long placed on a mist-shrouded pedestal as austere, peaceful stargazers, the Maya elites are now known to have been the rulers of populous, aggressive city-states. Hailed as "a Rosetta stone of Maya civilization" (Brian M. Fagan, author of *People of the Earth*), *A Forest of Kings* is "a must for interested readers," says Evon Vogt, professor of anthropology at Harvard University.

House of Versace Aug 23 2019 Versace. The very name conjures up images of outrageous glamour and bold sexuality, opulence and daring. All of course true, but only half the story. Versace is also the legacy of a great creative genius from a poor, backward part of southern Italy who transformed the fashion world through his intuitive understanding of both women and how a changing culture influenced the way they wanted to dress. The first book in English about the legendary designer, *House of Versace* shows how Gianni Versace, with his flamboyant sister Donatella at his side, combined his virtuosic talent and extraordinary ambition to almost single-handedly create the celebrity culture we take for granted today. Gianni Versace was at the height of his creative powers when he was murdered in Miami Beach. The story was front page news around the world and the manhunt for his killer a media obsession. His beloved sister Donatella demanded no less than a funeral befitting an assassinated head-of-state to be held in Milan's magnificent cathedral. In what was the ultimate fashion show, the world's rich and beautiful – Princess Dianna, Elton John, Carla Bruni, Naomi Campbell, Carolyn Bessette-Kennedy, Anna Wintour and others – gathered to mourn a man already considered one of fashion's great pioneers. Deborah Ball, a long-time Milan correspondent for *The Wall Street Journal*, conducted hundreds of interviews with Versace family members, Gianni Versace's lovers and business rivals, models such as Naomi Campbell whom he helped shoot to international stardom and fashion industry icons, including Anna Wintour, the legendary editor of *Vogue*. Ball vividly recounts the behind-the-scenes struggles – both creative and business – of Donatella as she stepped out of her brother's long shadow and took control of the House of Versace. The book offers the first inside look at the enormous challenges Donatella faced in living up to Gianni's genius, her struggle with a drug habit, her battles with her brother Santo and the mystery of why Gianni left control of his house to Donatella's young daughter, Allegra. *House of Versace* is a compelling, highly readable tale of rise from obscurity, a painful fall and ultimate redemption as the Versace empire returned to health – for now. Bringing together fashion, celebrity, business drama, jet-set lifestyles, and a notorious crime, *House of Versace* is an old-fashioned page-turner about a subject of enduring fascination.

Big Brown May 01 2020 Although its brown vans are on every block and its delivery service reaches more than 200 countries, UPS is among the world's most underestimated and misunderstood companies. For the first time, a UPS "lifer" tells the behind-the-scenes story of how a small messenger service became a business giant. *Big Brown* reveals the remarkable 100-year history of UPS and the life of its founder Jim Casey—one of the greatest unknown capitalists of the twentieth century. Casey pursued a Spartan business philosophy that emphasized military discipline, drab uniforms, and reliability over flash—a model that is still reflected in UPS culture today. *Big Brown* examines all the seeming paradoxes about UPS: from its traditional management style and strict policies coupled with high employee loyalty and strong labor relations; from its historical "anti-marketing" bias (why brown?) to its sterling brand loyalty and reputation for quality.

The Untold Story of the Talking Book Mar 23 2022 Histories of the book often move straight from the codex to the digital screen. Left out is nearly 150 years of audio recordings. Matthew

Rubery uncovers this story, from Edison to today's billion-dollar audiobook industry, and breaks from convention by treating audiobooks as a distinctive art form that has profoundly influenced the way we read.

Everest - the First Ascent Sep 04 2020 WINNER OF THE OUTSTANDING GENERAL SPORTS WRITING AWARD, BRITISH SPORTS BOOK AWARDS WINNER OF THE BOARDMAN TASKER PRIZE WINNER OF THE MOUNTAIN & WILDERNESS PRIZE, BANFF FESTIVAL WINNER OF THE TONY LOTHIAN AWARD, BIOGRAPHERS CLUB For the first time, drawing upon previously unseen diaries and letters, rare archive material and interviews, Everest "The First Ascent tells the remarkable story of Griffith Pugh, the forgotten team member whose scientific breakthroughs ensured the world's highest mountain could be climbed. A doctor and physiologist, Griffith Pugh revolutionised almost every aspect of British high-altitude mountaineering, transforming the climbers' attitude to oxygen, the clothes they wore, their equipment, fluid intake and acclimatisation. Yet, far from receiving the acclaim he was due, he was met with suspicion and ridicule. His scientific contributions were, quite simply, at odds with old-fashioned notions of derring-do and the gentlemanly amateurism that dogged the sport. Later in his career, his impact in helping athletes enhance their performance lasts to this day in the fields of cycling, swimming and running. This insightful biography shows Pugh to be troubled, abrasive, yet brilliant. Eight years in the writing, closely researched, and told with unflinching honesty by Pugh's daughter, Harriet Tuckey, Everest "The First Ascent is the compelling portrait of an unlikely hero.

Taming the Beast Feb 28 2020 "In the 1990s, one man ruled the world of heavyweight boxing. MIKE TYSON. He drove his fists through opponents' skulls, raked in multi-millions of dollars, and bedded other men's wives and their daughters. That much is a matter of record. So you think you know his story? You've barely scratched the surface. Rory and John had Mike Tyson on track to be the world's first billion dollar athlete. When Mike finally bared his teeth in the re-match against Evander Holyfield, the world was stunned. Mike hid away, fired his team, and lost his hold on greatness, while Rory did the hardest thing of all. He kept quiet; he guarded secrets... until now" -- Publisher website.

Is This the Real Life? Jul 27 2022 Draws on interviews with producers, managers and ex-girlfriends and boyfriends to provide a history of the band Queen, including how lead singer Freddie Mercury's sexuality alienated some of their fans and forced the band to reinvent themselves. By the author of Comfortably Numb: The Inside Story of Pink Floyd. 25,000 first printing.

The Guv'nor Revealed Aug 04 2020 Lenny McLean - an infamous name, but forever a legend. He is arguably one of the most notorious and feared prize-fighters England has ever produced. Not only was he a mountain of a man and a true fighter, feared on the streets of gangland London and outside the clubs whose doors he manned in the heart of the capital, he was also an old-school East Ender, who took pride in operating on a gentleman's code despite the often-dangerous world he lived in. His life was cut all-too-short, just as it was taking a new, previously unimaginable direction after his role in Guy Ritchie's Lock, Stock, and Two Smoking Barrels but he remains loved by those who knew him. The Guv'nor Revealed uncovers parts of Lenny McLean's life not previously explored, with shared memories from his close friends, family and various other acquaintances who crossed his path one way or another during his lifetime. Lenny McLean was one of a kind; infamous for his brute strength but also loved for his protective heart. Collated from years of interviews, Lee Wortley and Anthony Thomas bring you an array of thrilling, and often touching and amusing, testimonies from those closest to him and a new insight into the life of The Guv'nor.

The Untold Story of the New Testament Church Sep 28 2022 A scholar of the New Testament Church and a forerunner of modern Church renewal, Frank Viola casts his gaze back at the birth pangs of first century Christianity in *The Untold Story of the New Testament Church*. Using a 'you-are-there' approach, this epic volume gives readers a first-hand account of how the witness of Christ's testimony impacted the world. In the era right after the Day of Pentecost, the power of Holy Spirit prompted a massive harvest of souls yet a great persecution surged against those preaching Good News to the lost. Now, get up-close with apostles Paul, Peter and John and learn of their personal struggles to fight for the faith amidst a backdrop of in-house strife and foreign tyranny.

The Secret Holocaust Diaries Nov 26 2019 The author documents her experiences during World War II through a secret diary she kept during her time in a concentration camp and the years following the war.

St Catherines Island Sep 24 2019

Supernormal Aug 16 2021 Clinical psychologist and author of *The Defining Decade*, Meg Jay takes us into the world of the supernormal: those who soar to unexpected heights after childhood adversity. Whether it is the loss of a parent to death or divorce; bullying; alcoholism or drug abuse in the home; mental illness in a parent or a sibling; neglect; emotional, physical or sexual abuse; having a parent in jail; or growing up alongside domestic violence, nearly 75% of us experience adversity by the age of 20. But these experiences are often kept secret, as are our courageous battles to overcome them. Drawing on nearly two decades of work with clients and students, Jay tells the tale of ordinary people made extraordinary by these all-too-common experiences, everyday superheroes who have made a life out of dodging bullets and leaping over obstacles, even as they hide in plain sight as doctors, artists, entrepreneurs, lawyers, parents, activists, teachers, students and readers. She gives a voice to the supernormals among us as they reveal not only "How do they do it?" but also "How does it feel?" These powerful stories, and those of public figures from Andre Agassi to Jay Z, will show supernormals they are not alone but are, in fact, in good company. Marvelously researched and compassionately written, this exceptional book narrates the continuing saga that is resilience as it challenges us to consider whether -- and how -- the good wins out in the end.

A Thousand Lives Feb 07 2021 "A gripping account of how decent people can be taken in by a charismatic and crazed tyrant" (The New York Times Book Review). In 1954, a past or named Jim Jones opened a church in Indianapolis called Peoples Temple Full Gospel Church. He was a charismatic preacher with idealistic beliefs, and he quickly filled his pews with an audience eager to hear his sermons on social justice. As Jones's behavior became erratic and his message more ominous, his followers leaned on each other to recapture the sense of equality that had drawn them to his church. But even as the congregation thrived, Jones made it increasingly difficult for members to leave. By the time Jones moved his congregation to a remote jungle in Guyana and the U.S. government began to investigate allegations of abuse and false imprisonment in Jonestown, it was too late. *A Thousand Lives* is the story of Jonestown as it has never been told. New York Times bestselling author Julia Scheeres drew from tens of thousands of recently declassified FBI documents and audiotapes, as well as rare videos and interviews, to piece together an unprecedented and compelling history of the doomed camp, focusing on the people who lived there. The people who built Jonestown wanted to forge a better life for themselves and their children. In South America, however, they found themselves trapped in Jonestown and cut off from the outside world as their leader goaded them toward committing "revolutionary suicide" and deprived them of food, sleep, and hope. Vividly written and impossible to forget, *A Thousand Lives* is a story of blind loyalty and daring escapes, of corrupted ideals and senseless,

haunting loss.

Imperial Reckoning Nov 18 2021 Reveals how the British colonial government detained more than one million members of Kenya's largest ethnic minority in prisons and work camps where many met their deaths as a result of a British attempt to stop the Mau Mau uprising.

Marvel Comics Jun 13 2021 The defining, behind-the-scenes chronicle of one of the most extraordinary, beloved, and dominant pop cultural entities in America's history -- Marvel Comics -- and the outsized personalities who made Marvel including Martin Goodman, Stan Lee, and Jack Kirby. "Sean Howe's history of Marvel makes a compulsively readable, riotous and heartbreaking version of my favorite story, that of how a bunch of weirdoes changed the world... That it's all true is just frosting on the cake." —Jonathan Lethem For the first time, Marvel Comics tells the stories of the men who made Marvel: Martin Goodman, the self-made publisher who forayed into comics after a get-rich-quick tip in 1939, Stan Lee, the energetic editor who would shepherd the company through thick and thin for decades and Jack Kirby, the WWII veteran who would co-create Captain America in 1940 and, twenty years later, developed with Lee the bulk of the company's marquee characters in a three-year frenzy. Incorporating more than one hundred original interviews with those who worked behind the scenes at Marvel over a seventy-year-span, Marvel Comics packs anecdotes and analysis into a gripping narrative of how a small group of people on the cusp of failure created one of the most enduring pop cultural forces in contemporary America.

The Untold Story of Everything Digital Mar 30 2020 The Untold Story of Everything Digital: Bright Boys, Revisited celebrates the 70th anniversary (1949-2019) of the world "going digital" for the very first time--real-time digital computing's genesis story. That genesis story is taken from the 2010 edition of Bright Boys: The Making of Information Technology, 1938-1958, and substantially expanded upon for this special, anniversary edition. Please join us for the incredible adventure that is The Untold Story of Everything Digital, when a band of misfit engineers, led by MIT's Jay Forrester and Bob Everett, birthed the digital revolution. The bright boys were the first to imagine an electronic landscape of computing machines and digital networks, and the first to blaze its high-tech trails.

Jezebel Jun 25 2022 There is no woman with a worse reputation than Jezebel, the ancient queen who corrupted a nation and met one of the most gruesome fates in the Bible. Her name alone speaks of sexual decadence and promiscuity. But what if this version of her story, handed down to us through the ages, is merely the one her enemies wanted us to believe? What if Jezebel, far from being a conniving harlot, was, in fact, framed? In this remarkable new biography, Lesley Hazleton shows exactly how the proud and courageous queen of Israel was vilified and made into the very embodiment of wanton wickedness by her political and religious enemies. Jezebel brings readers back to the source of the biblical story, a rich and dramatic saga featuring evil schemes and underhanded plots, war and treason, false gods and falser humans, and all with the fate of entire nations at stake. At its center are just one woman and one man—the sophisticated Queen Jezebel and the stark prophet Elijah. Their epic and ultimately tragic confrontation pits tolerance against righteousness, pragmatism against divine dictates, and liberalism against conservatism. It is, in other words, the original story of the unholy marriage of sex, politics, and religion, and it ends in one of the most chillingly brutal scenes in the entire Bible. Here at last is the real story of the rise and fall of this legendary woman—a radically different portrait with startling contemporary resonance in a world mired once again in religious wars.

The Untold Story of Milk Jan 01 2023 From the Publisher: "This fascinating and compelling book will change the way you think about milk. Dr. Schmid chronicles the role of milk in the rise of civilization and in early America, the distillery dairies, compulsory pasteurization, the politics

of milk, traditional dairying cultures and the modern dairy industry. He details the betrayal of public trust by government health officials and dissects the modern myths concerning cholesterol, animal fats and heart disease. And in the final chapters, he describes how scores of eminent scientists have documented the superiority of raw milk and its myriad health benefits.

The Untold Story Oct 06 2020 Return to the world of the Invisible Library for Irene's most perilous mission yet . . . Librarian Spy Irene is heading into danger. Not for the first time, but could this be her last? She's tasked with a terrifyingly dangerous solo mission to eliminate an old enemy, which must be kept secret at all costs. But even more troubling news emerges. Multiple worlds are disappearing – and the Library may have something to do with it. Determined to uncover the truth behind the vanished worlds, Irene and her friends must descend into the unplumbed depths of the Library. And what they find will change everything they know. This may be Irene's most dangerous assignment of her hazardous career. The Untold Story is the unputdownable eighth book in the Invisible Library fantasy series by Genevieve Cogman. Praise for the series: 'I absolutely loved this' – N. K. Jemisin, author of The Fifth Season 'Irene is a great heroine: fiery, resourceful and no one's fool' – Guardian 'Brilliant and so much fun. Skulduggery, Librarians and dragons – Cogman keeps upping the ante on this delightful series!' – Charles Stross, author of the Merchant Princes series

Nightmare USA Apr 23 2022 From Quentin Tarantino (Kill Bill) to Eli Roth (Hostel), the young guns of modern Hollywood just can't get enough of that exploitation film high. That's because, between 1970 and 1985, American Exploitation movies went berserk. Nightmare USA is the reader's guide to what lies beyond the mainstream of American horror, dispelling the shadows to meet the men and women behind 15 years of screen terror: The Exploitation Independents! Ranging from cult favourites like I Drink Your Blood to stylish mind-benders like Messiah of Evil.

Hearts And Minds Mar 11 2021 _____ 'A history book that should be read by all' - Stylist. Set against the background of the campaign for women to win the vote, this is a story of the ordinary people effecting extraordinary change. 1913: the last long summer before the war. The country is gripped by suffragette fever. These impassioned crusaders have their admirers; some agree with their aims if not their forceful methods, while others are aghast at the thought of giving any female a vote. Meanwhile, hundreds of women are stepping out on to the streets of Britain. They are the suffragists: non-militant campaigners for the vote, on an astonishing six-week protest march they call the Great Pilgrimage. Rich and poor, young and old, they defy convention, risking jobs, family relationships and even their lives to persuade the country to listen to them. Fresh and original, full of vivid detail and moments of high drama, Hearts and Minds is both funny and incredibly moving, important and wonderfully entertaining.

Beasts Before Us Sep 16 2021 This is the story of our most ancient of ancestors: mammals. This book reframes the narrative of mammal evolution, and proves they weren't just precursors, they were pioneers.

Sanjay Dutt May 13 2021 India's top Bollywood biographer tells the uncensored story of Sanjay's roller-coaster life – from the tragic deaths of both his mother and his first wife to the time he smuggled heroin into the US and from the painful rehab he had to go through to his curious phone calls to gangster Chhota Shakeel.

Bon Dec 08 2020 "The legend of the man known around the world simply as 'Bon' only grows with each passing year - in death the AC/DC icon has become a god to millions of people - but how much of his story is myth or pure fabrication and how much of the real man do we know? ... Jesse Fink ... leaves no stone unturned for Bon- The Last Highway, a book years in the making, that finally solves the riddle of the death of Bon Scott. The 1977-80 period forged the legend of

AC/DC. There wasn't a harder working band in the music business. But, as Fink startlingly reveals, the relentless AC/DC machine was also threatening to come apart. Fink has answers to the nagging questions rock 'n' roll fans have been asking since 1980 and reveals secrets that will change music history"--

Wild Company Jan 27 2020 Traces Banana Republic's beginnings and rise to becoming an international retailer, describing how the founders applied imagination while upending business conventions to develop original merchandise and marketing innovations.

The Eve of Destruction Nov 06 2020 On October 6, 1973—Yom Kippur, the holiest day of the Jewish calendar—the Arab world launched a bold and ingeniously conceived surprise attack against Israel. After three days of intense, bloody combat, an unprepared Israel was fighting for survival, while the Arabs, with massive forces closing in on the Jewish heartland, were poised to redeem the honor lost in three previous wars. Based on declassified Israeli government documents and revealing interviews with soldiers, generals, and intelligence operatives on both sides of the conflict, *The Eve of Destruction* weaves a suspenseful, eye-opening story of war, politics, and deception. It also tells the moving human tale of the men and women who fought to maintain love and honor as their lives and destinies were swept up in the Yom Kippur War.

Cinders Oct 30 2022 Everything you've been told is wrong. Oh, not everything, I suppose. Yes, I turned a pumpkin into a coach and mice into horses. The stroke of midnight, the glass slippers, and the prince searching for a girl whose foot fit the shoe...those were all part of the story. And yet, the prince didn't just fall in love with Cinderella because she looked good at the ball. Pigeon feathers and pollywogs! Could you respect him if he did? I most certainly could not. No, no, there was vastly more that happened before the night of the ball, and a great deal of international intrigue after. Cinderella was a warrior who saved the life of the prince and defended her kingdom from oppressors who were plotting to overthrow the king. They didn't tell you that part? It's time, past time, for you to know the true story of the real Cinderella.

Untold Stories in Organizations Jan 21 2022 The field of organizational storytelling research is productive, vibrant and diverse. Over three decades we have come to understand how organizations are not only full of stories but also how stories are actively making, sustaining and changing organizations. This edited collection contributes to this body of work by paying specific attention to stories that are neglected, edited out, unintentionally omitted or deliberately left silent. Despite the fact that such stories are not voiced they have a role to play in organizational analysis. The chapters in this volume variously explore how certain realities become excluded or silenced. The stories that remain below the audible range in organizations offer researchers an access to study political practices which marginalise certain organisational realities whilst promoting others. This volume offers a further contribution by paying heed to silence and the processes of silencing. These silences influence the choice of issues on organisational agendas, the choice of audience(s) to which these discourses are addressed and the ways of addressing them. In exploring these relatively understudied terrains, *Untold Stories in Organizations* comprises an important contribution to the organizational storytelling space, opening paths for new trajectories in storytelling research.

John Stott's Right Hand Apr 11 2021 Frances Whitehead was working for the BBC in London when noted Anglican cleric John Stott asked her to become his secretary. For 55 years she was his right hand: gatekeeper, administrator, typist, encourager and enabler. In his will, Stott named her as his 'friend and executor'. Their partnership -- unique, effective, and not without humour -- has been described as 'one of the greatest Christian partnerships of the 20th century'. But what factors brought Frances to the role? This book tracks her life and glimpses her ancestry to find the answer.

The Stig Dec 20 2021 The official biography of Top Gear's tame racing driver, from the early years to present day. The Stig is known to millions as Top Gear's tame racing driver, famed for his skillful driving and his legendary reluctance to speak. Other details of his life are the subject of much speculation, yet almost nothing of any substance is known about the man behind the visor. Where did he come from? What is his motivation? Did he really once punch a horse to the ground? Simon du Marche (Princess Margaret -- Gin & Gentility; Keith Chegwin -- Tears of An Idiot) has devoted over two years to getting inside that trademark white helmet. He has pursued The Stig -- sometimes literally -- in a relentless quest to unearth the truth and now, at last, his findings can be revealed. Through extensive research and in-depth interviews with celebrities, motorsport experts and Top Gear presenters Jeremy Clarkson, Richard Hammond and James May, du Marche has built up an unprecedented picture of what lies beneath the white suit. His quest threw up many questions: can Stig-like characters really be seen in the hieroglyphics of ancient Egypt? Was The Stig present at some of the most pivotal moments in history? Why is a driver of The Stig's considerable ability not in Formula 1? Who was the mysterious figure in white seen leaving Angelina Jolie's hotel room? How can anyone not understand how stairs work? Happily, these questions -- and many, many others -- will be answered in Simon du Marche's landmark work, *The Stig*.

Midnight in Chernobyl Oct 25 2019 A New York Times Best Book of the Year A Time Best Book of the Year A Kirkus Reviews Best Nonfiction Book of the Year 2020 Andrew Carnegie Medals for Excellence Finalist One of NPR's Best Books of 2019 Journalist Adam Higginbotham's definitive, years-in-the-making account of the Chernobyl nuclear power plant disaster—and a powerful investigation into how propaganda, secrecy, and myth have obscured the true story of one of the twentieth century's greatest disasters. Early in the morning of April 26, 1986, Reactor Number Four of the Chernobyl Atomic Energy Station exploded, triggering history's worst nuclear disaster. In the thirty years since then, Chernobyl has become lodged in the collective nightmares of the world: shorthand for the spectral horrors of radiation poisoning, for a dangerous technology slipping its leash, for ecological fragility, and for what can happen when a dishonest and careless state endangers its citizens and the entire world. But the real story of the accident, clouded from the beginning by secrecy, propaganda, and misinformation, has long remained in dispute. Drawing on hundreds of hours of interviews conducted over the course of more than ten years, as well as letters, unpublished memoirs, and documents from recently-declassified archives, Adam Higginbotham has written a harrowing and compelling narrative which brings the disaster to life through the eyes of the men and women who witnessed it firsthand. The result is a masterful nonfiction thriller, and the definitive account of an event that changed history: a story that is more complex, more human, and more terrifying than the Soviet myth. *Midnight in Chernobyl* is an indelible portrait of one of the great disasters of the twentieth century, of human resilience and ingenuity, and the lessons learned when mankind seeks to bend the natural world to his will—lessons which, in the face of climate change and other threats, remain not just vital but necessary.

Child Bride Jul 15 2021 The myth-shattering account of the most famous—and most taboo—marriage in rock-and-roll history “Fascinating . . . Finstad's research and her analysis of Priscilla's complex character make for a riveting read.”—New York Post The real story [of Elvis and Priscilla] is infinitely more powerful than the myth and, ultimately, tragic; the true Priscilla more complex. Priscilla Beaulieu Presley is not, and never was, the fragile, demure child-woman she has come to personify; she is, in a word, a survivor, a woman of indomitable will and almost frightening determination.—from the Author's Note *Child Bride* reveals the hidden story of rock icon Elvis Presley's affair with fourteen-year-old Priscilla Beaulieu, the ninth-grader he wooed

as a G.I. in Germany and cloistered at Graceland before marrying her to fulfill a promise to her starstruck parents. But who is Priscilla—and what was her role in their infamous relationship? Award-winning biographer Suzanne Finstad perceptively pieces together the clues from candid interviews with all the Presley intimates—including Priscilla herself, along with hundreds of sources who have never before spoken publicly—to uncover the truth behind the legend of Elvis and Priscilla, a tumultuous tale of sexual attraction and obsession, heartbreak and loss. *Child Bride*, the definitive biography of Priscilla Beaulieu Presley, unveils the controversial woman who evolved from a lonely teenager bound to the King of Rock and Roll into a shrewd businesswoman in control of the multimillion-dollar Elvis Presley empire—a rags-to-riches saga of secrets, lies and betrayal.

Black Tudors Jun 01 2020 A transformative history - in Tudor times there were Africans living and working in Britain, and they were free

Jewels of Allah Jul 03 2020 "Inspired by Nina Ansary's scholarly journey, *Jewels of Allah* is a provocative roller coaster ride that shatters the stereotypical assumptions and the often misunderstood story of women in Iran today"--Back cover.

The Untold Story of Mary Magdalene Feb 19 2022 Many people are fascinated with Mary Magdalene. Over the years, I have interacted with Mary many times. As a result, I have learned the untold story of Mary Magdalene, which reads a little differently than what many popular books or media portray. In this short book, see a bird's eye view of Mary: her life before she met Jesus, the life she had when she met Jesus, and the life she lived after Jesus left earth. Read about the impact that Mary made on her world and on the early church and why Satan continues to make up dreadful stories about her even to this day. This truly is the untold story of Mary Magdalene.

El Chapo Dec 28 2019 A stunning investigation of the life and legend of Mexican kingpin Joaquín Archivaldo “El Chapo” Guzmán Loera, building on Noah Hurowitz’s revelatory coverage for *Rolling Stone* of El Chapo’s federal drug-trafficking trial. This is the true story of how El Chapo built the world’s wealthiest and most powerful drug-trafficking operation, based on months’ worth of trial testimony and dozens of interviews with cartel gunmen, Mexican journalists and political figures, Chapo’s family members, and the DEA agents who brought him down. Over the course of three decades, El Chapo was responsible for smuggling hundreds of tons of cocaine, marijuana, heroin, meth, and fentanyl around the world, becoming in the process the most celebrated and reviled drug lord since Pablo Escobar. El Chapo waged ruthless wars against his rivals and former allies, plunging vast areas of Mexico into unprecedented levels of violence, even as many in his home state of Sinaloa continued to view him as a hero. This unputdownable book, written by a great new talent, brings El Chapo’s exploits into a focus that previous profiles have failed to capture. Hurowitz digs in deep beyond the legends and delves into El Chapo’s life and legacy—not just the hunt for him, revealing some of the most dramatic and often horrifying moments of his notorious career, including the infamous prison escapes, brutal murders, multi-million-dollar government payoffs, and the paranoia and narcissism that led to his downfall. From the evolution of organized crime in Mexico to the militarization of the drug war to the devastation wrought on both sides of the border by the introduction of synthetic opioids like fentanyl, this book is a gripping and comprehensive work of investigative, on-the-ground reporting.

Thomas Cromwell Aug 28 2022 “An exceptional and compelling biography about one of the Tudor Age’s most complex and controversial figures.” —Alison Weir Thomas Cromwell has long been reviled as a Machiavellian schemer who stopped at nothing in his quest for power. As King Henry VIII’s right-hand man, Cromwell was the architect of the English Reformation;

secured Henry's divorce from Catherine of Aragon and plotted the downfall of his second wife, Anne Boleyn; and was fatally accused of trying to usurp the king himself. In this engrossing biography, acclaimed British historian Tracy Borman reveals a different side to one of history's most notorious characters: that of a caring husband and father, a fiercely loyal servant and friend, and a revolutionary who was key in transforming medieval England into a modern state. Thomas Cromwell was at the heart of the most momentous events of his time—from funding the translation and dissemination of the first vernacular Bible to legitimizing Anne Boleyn as queen—and wielded immense power over both church and state. The impact of his seismic political, religious, and social reforms can still be felt today. Grounded in excellent primary source research, Thomas Cromwell gives an inside look at a monarchy that has captured the Western imagination for centuries and tells the story of a controversial and enigmatic man who forever changed the shape of his country. "An intelligent, sympathetic, and well researched biography." —The Wall Street Journal "Borman unravels the story of Cromwell's rise to power skillfully . . . If you want the inside story of Thomas Cromwell . . . this is the book for you." —The Weekly Standard "An engrossing biography. . . . A fine rags-to-riches-to-executioner's-block story of a major figure of the English Reformation." —Kirkus Reviews "An insightful biography of a much-maligned historical figure." —Booklist

Shrinks Oct 18 2021 "Psychiatry has come a long way since the days of chaining "lunatics" in cold cells and parading them as freakish marvels before a gaping public. But, as Jeffrey Lieberman, MD, reveals, the path to legitimacy for "the black sheep of medicine" has been anything but smooth. Here, Dr. Lieberman traces the field from its birth as a mystic pseudo-science through its adolescence as a cult of "shrinks" to its late blooming maturity as a science-driven profession that saves lives"--Back cover.
