Hold Your Fire May 02 2020 Creativity comes from many places, but often the initial spark of inspiration can be traced to something or someone who challenged us to first put pen to paper or brush to canvas, to pick up a camera, to look at the world with new eyes. Maybe it was the lyrics of a favorite album. Maybe it was the encouragement from a beloved teacher. Maybe it was seeing a wonder of the natural world. Maybe it was just a feeling deep down inside that demanded to be set free, a voice ready to be heard, a story begging to be told. **Hold Your Fire** is a collection of nineteen short stories celebrating the power and influence of inspiration in all its forms—art, literature, music, astronomy, science, inventions, epiphanies. Here you will find stories of people being inspired as well as stories of people inspiring someone else. Stories not only of artistic inspiration but of scientific discoveries. The “Eureka!” moments that change the whole world and the small moments when someone dares to fight one more day. From a romance about a teenager’s attempts to win over his first crush with poetry to musicians and artists harnessing the inspiration of unexpected muses to a fairy tale princess seeking for happiness, every story in this anthology shines brightly. And

since every fire casts a shadow, there are also a few horror stories that thrive in the dark. **Hold Your Fire: Stories Celebrating the Creative Spark** is the sixth anthology edited by Lisa Mangum and published by WordFire Press in support of the Don Hodge Memorial Scholarship fund for the Superstars Writing Seminars. **The Hedge Fund Mirage** Mar 12 2021 The dismal truth about hedge funds and how investors can get a greater share of the profits Shocking but true: if all the money that's ever been invested in hedge funds had been in treasury bills, the results would have been twice as good. Although hedge fund managers have earned some great fortunes, investors as a group have done quite poorly, particularly in recent years. Plagued by high fees, complex legal structures, poor disclosure, and return chasing, investors confront surprisingly meager results. Drawing on an insider's view of industry growth during the 1990s, a time when hedge fund investors did well in part because there were relatively few of them, **The Hedge Fund Mirage** chronicles the early days of hedge fund investing before institutions got into the game and goes on to describe the seeding business, a specialized area in which investors provide venture capital-type funding to

promising but undiscovered hedge funds. Today's investors need to do better, and this book highlights the many subtle and not-so-subtle ways that the returns and risks are biased in favor of the hedge fund manager, and how investors and allocators can redress the imbalance. The surprising frequency of fraud, highlighted with several examples that the author was able to avoid through solid due diligence, industry contacts, and some luck Why new and emerging hedge fund managers are where generally better returns are to be found, because most capital invested is steered towards apparently safer but less profitable large, established funds rather than smaller managers that evoke the more profitable 1990s Hedge fund investors have had it hard in recent years, but **The Hedge Fund Mirage** is here to change that, by turning the tables on conventional wisdom and putting the hedge fund investor back on top. **Morning and Evening Talk** Mar 24 2022 A late work by the Egyptian Nobel literature laureate, **Morning and Evening Talk** is an epic tale of Egyptian life over five generations. Set in Cairo, it traces the fortunes of three families from the arrival of Napoleon at the end of the eighteenth century to the 1980s, using short character sketches arranged in

alphabetical order. This highly experimental device produces a kind of biographical dictionary, whose individual entries come together to paint a vivid portrait of life in Cairo from a range of different perspectives. The characters include representatives of every class and human type, and as the intricate family saga unfolds, a powerful picture of a society in transition—and the accompanying upheaval—emerges. This is a tale of change and continuity, of the death of a traditional way of life, of the road to independence and beyond, seen through the eyes of Egypt's citizens. Naguib Mahfouz's last chronicle of Cairo is an elegy to a bygone era and a tribute to the Egyptian spirit. It is also one of his most technically innovative contributions to the Arabic novel.

Mirage Men Oct 19 2021 Part personal odyssey, part espionage adventure, and part social history, *Mirage Men* delves into the world of UFOs, those who believe in them, and those who would have us believe in them. This is not your average UFO book. *Mirage Men* explores the strange and symbiotic relationship between the U.S. military and intelligence agencies and the community who believes strongly that UFOs have visited earth. Just how has the U.S. government manipulated the public's belief in UFOs to hide military aircraft experimentation? Among the UFO believers are the “mirage men”—a close-knit group of men and women

whose careers span science medicine, the military, and the intelligence services. They believe they have received parts of a flying saucer-shaped puzzle, whose final pieces lie tantalizingly out of reach. Dive into this comprehensive and astonishing exposition of exactly what these Mirage Men believe, and why. Interviews, anecdotes, and cold hard facts make this a persuasive book that's hard to ignore. Many are sure that official disclosure—government announcement of extraterrestrial presence—is just around the corner.

The Long Mirage Jul 16 2021 Continuing the post-television Deep Space Nine saga comes this thrilling original novel from New York Times bestselling author David R. George III! More than two years have passed since the destruction of the original Deep Space 9. In that time, a brand-new, state-of-the-art starbase has replaced it, commanded by Captain Ro Laren, still the crew and residents of the former station continue to experience the repercussions of its loss. For instance: Quark continues his search for Morn, as the Lurian—his best customer and friend—left Bajor without a word and never returned. Quark enlists a private detective to track Morn down, and she claims to be hot on his trail. Yet the barkeep distrusts the woman he hired, and his suspicions skyrocket when she too suddenly vanishes. At the same time, Kira Nerys emerges from a wormhole after being caught inside it when it collapsed two years earlier.

She arrives on the new DS9 to discover Altek Dans already there. While inside the Celestial Temple, Kira lived a different life in Bajor's past, where she fell in love with Altek. So why have the Prophets moved him forward in time...and why have They brought him and Kira together?

Quest for Exceptional Leadership Feb 29 2020 *Quest for Exceptional Leadership: Mirage to Reality* outlines the emergence of a new fifth phase of human enterprise that is redefining the criteria of success as well as reconfiguring the routes to success. The author analyses the changing paradigms and provides a down-to-earth, realistic blueprint to acquire the relevant leadership traits. Corporations do not have the option to wait; they have to realign themselves with the new reality - now. Based on substantial research and analysis, the book is full of path-breaking innovative concepts such as: - 'Seven Prime Realities' that adversely impact our businesses and lives. - 'Seven Allies to Catalyze Change' that can augment social consciousness in business. - 'Four Quadrant Matrix' to make the right choice, every time. - 'Five Circles of Leadership Attitudes' to assess where you are. - The journey from 'Base Camp Leadership Traits', to summit of Exceptional Leadership The author makes a compelling

case that those who embrace the new realism will achieve sustained profitability for their companies and 'Triple Top Line' of joy, peace, and contentment in their personal lives. The book would inspire every CEO and every aspiring CEO to map out his or her own personal path to becoming an exceptional leader. It is a pioneering endeavour to bring the CEO's personal value system into mainstream dialogue and to convince why corporate objectives can no longer disregard society's interests.

Mirages and Mad Beliefs

Oct 26 2019 Marcel Proust was long the object of a cult in which the main point of reading his great novel *In Search of Lost Time* was to find, with its narrator, a redemptive epiphany in a pastry and a cup of lime-blossom tea. We now live in less confident times, in ways that place great strain on the assumptions and beliefs that made those earlier readings possible. This has led to a new manner of reading Proust, against the grain. In *Mirages and Mad Beliefs*, Christopher Prendergast argues the case differently, with the grain, on the basis that Proust himself was prey to self-doubt and found numerous, if indirect, ways of letting us know. Prendergast traces in detail the locations and forms of a quietly nondogmatic yet insistently skeptical voice that questions the redemptive aesthetic the novel is so often taken to

celebrate, bringing the reader to wonder whether that aesthetic is but another instance of the mirage or the mad belief that, in other guises, figures prominently in *In Search of Lost Time*. In tracing the modalities of this self-pressuring voice, Prendergast ranges far and wide, across a multiplicity of ideas, themes, sources, and stylistic registers in Proust's literary thought and writing practice, attentive at every point to inflections of detail, in a sustained account of Proust the skeptic for the contemporary reader.

Behind the Mirage May 26 2022
Vision or Mirage Jun 02 2020 'Clear-eyed and illuminating.' Henry Kissinger, former Secretary of State and National Security Advisor 'A rich, superbly researched, balanced history of the modern Kingdom of Saudi Arabia.' General David Petraeus, former Commander U.S. Central Command and Director of the Central Intelligence Agency 'Destined to be the best single volume on the Kingdom.' Ambassador Chas Freeman, former U.S. Ambassador to Saudi Arabia and Assistant Secretary of Defense 'Should be prescribed reading for a new generation of political leaders.' Sir Richard Dearlove, former Chief of H.M. Secret Intelligence Service (MI6) and Master of Pembroke College, Cambridge. Something extraordinary is happening in Saudi Arabia. A traditional, tribal society once known for its lack of tolerance is rapidly implementing significant economic and social reforms. An army of foreign consultants is rewriting the social contract, King Salman has cracked down hard on corruption, and his

dynamic though inexperienced son, the Crown Prince Mohammad bin Salman, is promoting a more tolerant Islam. But is all this a new vision for Saudi Arabia or merely a mirage likely to dissolve into Iranian-style revolution? David Rundell - one of America's foremost experts on Saudi Arabia - explains how the country has been stable for so long, why it is less so today, and what is most likely to happen in the future. The book is based on the author's close contacts and intimate knowledge of the country where he spent 15 years living and working as a diplomat. Vision or Mirage demystifies one of the most powerful, but least understood, states in the Middle East and is essential reading for anyone interested in the power dynamics and politics of the Arab World.
The Jew Is Not My Enemy Jun 14 2021 Looks at the historical, political, and theological basis for centuries of Muslim animosity towards Jews, debunking long-held myths and tracing a history of hate and its impact today.
The Mirage of Life. [By William Haig Miller.] Jan 22 2022
Chasing a Mirage Sep 29 2022 Contrasting the divergent goals, beliefs, aspirations, and motivations of Islamists and Muslims, a Canadian journalist examines the implications of an "Islamic State" vs. "state of Islam" for the world's Muslims and their non-Muslim neighbors.
The Divine Reality Feb 20 2022 In The Divine Reality, (Newly Revised Edition 2019)

Hamza Andreas Tzortzis provides a compelling case for the rational and spiritual foundations of Islam, whilst intelligently and compassionately deconstructing atheism. Join him on an existential, spiritual and rational journey that articulates powerful arguments for the existence of God, the Qur'an, the Prophethood of Muhammad and why we must know, love and worship God. He addresses academic and popular objections while showing how contemporary atheism is based on false assumptions about reality, which leads to incoherent answers to life's important questions. Does hope, happiness and human value make sense without the Divine? Do we have an ultimate purpose? Can we have consciousness and rational minds without God? Did the universe come from nothing? Does evil and suffering negate Divine mercy? Has scientific progress led to the denial of God? Are revelation and prophethood myths? Is God worthy of our worship? If you want to know how the Islamic intellectual and spiritual tradition answers these questions then this is the book for you. Hamza Andreas Tzortzis's new book presents a much needed comprehensive account of Islamic theism that draws upon Western and Islamic thought. Hamza Tzortzis is an international speaker, writer and instructor. He has a PgCert and an MA in philosophy and is currently continuing his postgraduate studies in the field. Hamza has

studied Islamic thought and theology under qualified scholars. He has delivered workshops and courses on topics related to Islamic thought and philosophy. Hamza has debated prominent academics and thinkers on Islam and atheism.

Court of Lions Dec 09 2020 Two identical girls, one a princess, the other a rebel. Who will rule the empire? Amani must make a devastating choice between revolution and family in this sequel to the instant Sunday Times bestseller *Mirage*. After being swept up into the brutal Vathek court, Amani, the ordinary girl forced to serve as the half-Vathek princess's body double, has been forced into complete isolation. The cruel but complex princess, Maram, with whom Amani had cultivated a tenuous friendship, discovered Amani's connection to the rebellion and has forced her into silence, and if Amani crosses Maram once more, her identity - and her betrayal - will be revealed to everyone in the court. Amani is desperate to continue helping the rebellion, to fight for her people's freedom. But she must make a devastating decision: will she step aside, and watch her people suffer, or continue to aid them, and put herself and her family in mortal danger? And whatever she chooses, can she bear to remain separated, forever, from Maram's fiancé, Idris?

Mirage Dec 21 2021 The stunning and lushly imagined Sunday Times bestseller about a girl who is kidnapped and forced to become the body

double for the princess of a ruthless empire. 'A smart, romantic, exciting debut from a rare talent' Veronica Roth, #1 New York Times bestselling author of *Divergent* In a star system dominated by the brutal Vathek empire, eighteen-year-old Amani is a dreamer. She dreams of what life was like before the occupation and receiving a sign that one day, she, too, will have adventures, and travel beyond her isolated moon. But when adventure comes for Amani, it is not what she expects. She is kidnapped by the government and taken in secret to the royal palace. There, she discovers that she is nearly identical to the cruel half-Vathek Princess Maram. The princess is so hated by her conquered people that she requires a body double to appear in public, ready to die in her place. As Amani is forced into her new role, she can't help but enjoy the palace's beauty - and her time with the princess' fiancé, Idris. But the glitter of the royal court belies a world of violence and fear, and she soon realises that one wrong move could lead to her death . . . 'By turns thrilling and ruminative, sexy and heartbreaking' Sabaa Tahir, author of *An Ember in the Ashes* 'Enriching, thrilling, and captivating' BuzzFeed 'Lush and dangerous, *Mirage* had me entranced' Tochi Onyebuchi, author of *Riot Baby* **Mirage** Oct 31 2022 In this sequel to "Haven," 17-year-old Violet McKenna, back for her senior year at Winterhaven, finds her friends in danger, a mysterious new teacher as her psychic coach, and her Sabbath

tendencies threatening her relationship with Aidan.

The Political Economy of Contemporary Spain Aug 05 2020 The so-called 'Spanish miracle', beginning in the mid-1990s, eventually became a nightmare for the majority of the population, culminating in the present-day economic and political crisis. This book explores the main features of the Spanish political-economic model during both the growth and crisis periods. Analyzing the causes and consequences of the continuing economic crisis in Spain, this book delves into five analytical axes: the evolution of the growth model; the role of Spain in the international division of labor; the financial sector and its influence on the rest of the economy; changes in the labor market; and the distributional consequences of both the expansive phase and the later crisis. Furthermore, contributors examine the formation of a triangle of actors (the government sector, building sector, and financial capital) that shaped the Spanish growth model, together with the effects of Spain's membership in the Economic and Monetary Union. Also considering ecological problems, gender issues, and the immigration question, this book challenges the alleged recovery of living conditions during recent years, as well as the explanation of the crisis as the result of irrational behaviors or the greedy nature of certain actors. The Political Economy of Contemporary Spain provides a coherent explanation of the Spanish

economic crisis based on a pluralistic approach, while proposing several measures that could contribute to a transformation of Spain's economic and social models.

EBOOK: Behavioral Corporate Finance, 2/e Jan 28 2020 EBOOK: Behavioral Corporate Finance, 2/e

The Mirage Jan 10 2021 A mind-bending novel in which an alternate history of 9/11 and its aftermath uncovers startling truths about America and the Middle East 11/9/2001: Christian fundamentalists hijack four jetliners. They fly two into the Tigris & Euphrates World Trade Towers in Baghdad, and a third into the Arab Defense Ministry in Riyadh. The fourth plane, believed to be bound for Mecca, is brought down by its passengers. The United Arab States declares a War on Terror. Arabian and Persian troops invade the Eastern Seaboard and establish a Green Zone in Washington, D.C. . . . Summer, 2009: Arab Homeland Security agent Mustafa al Baghdadi interrogates a captured suicide bomber. The prisoner claims that the world they are living in is a mirage—in the real world, America is a superpower, and the Arab states are just a collection of "backward third-world countries." A search of the bomber's apartment turns up a copy of The New York Times, dated September 12, 2001, that appears to support his claim. Other captured terrorists have been telling the same story. The president wants answers, but Mustafa soon discovers he's not the only

interested party. The gangster Saddam Hussein is conducting his own investigation. And the head of the Senate Intelligence Committee—a war hero named Osama bin Laden—will stop at nothing to hide the truth. As Mustafa and his colleagues venture deeper into the unsettling world of terrorism, politics, and espionage, they are confronted with questions without any rational answers, and the terrifying possibility that their world is not what it seems. Acclaimed novelist Matt Ruff has created a shadow world that is eerily recognizable but, at the same time, almost unimaginable. Gripping, subversive, and unexpectedly moving, The Mirage probes our deepest convictions and most arresting fears.

Haven Aug 17 2021 Violet McKenna's life started falling apart when a premonition of her father's murder came true, but at a new school, Winterhaven, she finds friends with psychic gifts and an alluring boy whose destiny is entwined with hers in a critical--and deadly--way.

The Data Mirage Mar 31 2020 The Data Mirage: Why Companies Fail to Actually Use Their Data is a business book for executives and leaders who want to unlock more insights from their data and make better decisions. The importance of data doesn't need an introduction or a fancy pitch deck. Data plays a critical role in helping companies to better understand their users, beat out their competitors, and breakthrough their growth targets. However, despite

significant investments in their data, most organizations struggle to get much value from it. According to Forrester, only 38% of senior executives and decision-makers "have a high level of confidence in their customer insights and only 33% trust the analytics they generate from their business operations." This reflects the real world that I have experienced. In this book, I will help readers formulate an analytics strategy that works in the real world, show them how to think about KPIs and help them tackle the problems they are bound to come across as they try to use data to make better decisions.

Mirage in the West Aug 29 2022 "... a gracefully written, brief, but remarkably complete account of the varieties and vicissitudes of French opinion regarding the English colonies and, to 1815, the U.S.... a major contribution."-William and Mary Quarterly Originally published in 1968. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Iraqi Mirages May 14 2021

Originally envisaged and acquired as a 'pure' interceptor, before long the Mirage F.1 in Iraqi service proved a highly capable multi-role platform aircraft, and was widely deployed not only for ground attack but also anti-shipping purposes, as an aerial tanker, and for delivering long-range pin-point attacks. Operation Mirage Nov 19 2021 Maj Gen Shiv, a recently promoted dashing General is called upon by the Army Commander, to undertake an Offensive task against Pakistan in the Western Sector. He is simply elated. It is a TOP SECRET plan. Rehearsals are carried out. Nothing is left to chance. To Shiv it is an Operation that could alter the history of the Indian sub-continent. Everything is perfect. But even the best of plans do not go as per script. Just a few hours before launch of the Operation, something has gone horribly wrong. The whole plan has got compromised. A shocked Shiv knows the culprit is someone close but not sure who. He is in a fix because the only one who knows about the plan besides him is none other than his boss. Set in the back drop of 1971 War between India and Pakistan, Op MIRAGE is a military fiction describing thrilling account of glorious ups and uncertainties' of was The book is about fighting between two bitter neighbors who are shackled by unpleasant history, syncretic culture and complex relationship. It covers in detail about how Pakistan was cut to size leading to emergence of

Bangladesh. The book gives a glimpse into the working of Pak espionage and intelligence agencies. The reader also gets a fair idea as to how India lost opportunities to exploit a grand victory. Although the plot of this book is a military fiction it is based on some of the true events which the author who participated in the war personally experienced . To The language used is simple and free of technical jargon so as it make it is easy for non military readers to follow and enjoy. the present generation who find it hard to believe that BanglaDesh was East Pakistan this book is a must read.

Dwellers in the Mirage Jul 04 2020 Angry Warrior, Modern Man... Leif Langdon was suddenly ripped from the 20th century and plunged into the ancient world of The Mirage. But his entrance into this awesome land awakened the slumbering Dwayanu, who in this strange incarnation was also Leif. Thus, two-men-in-one battle with the beautiful witch-woman Lur and the ethereal beauty Evalie for the glory of The Mirage.

Flyboys Dec 29 2019 Over the remote Pacific island of Chichi Jima, nine American flyers-Navy and Marine pilots sent to bomb Japanese communications towers there-were shot down. Flyboys, a story of war and horror but also of friendship and honor, tells the story of those men. Over the remote Pacific island of Chichi Jima, nine American flyers-Navy and Marine pilots sent to bomb Japanese communications towers there-were shot down. One of those

nine was miraculously rescued by a U.S. Navy submarine. The others were captured by Japanese soldiers on Chichi Jima and held prisoner. Then they disappeared. When the war was over, the American government, along with the Japanese, covered up everything that had happened on Chichi Jima. The records of a top-secret military tribunal were sealed, the lives of the eight Flyboys were erased, and the parents, brothers, sisters, and sweethearts they left behind were left to wonder. Flyboys reveals for the first time ever the extraordinary story of those men. Bradley's quest for the truth took him from dusty attics in American small towns, to untapped government archives containing classified documents, to the heart of Japan, and finally to Chichi Jima itself. What he discovered was a mystery that dated back far before World War II--back 150 years, to America's westward expansion and Japan's first confrontation with the western world. Bradley brings into vivid focus these brave young men who went to war for their country, and through their lives he also tells the larger story of two nations in a hellish war. With no easy moralizing, Bradley presents history in all its savage complexity, including the Japanese warrior mentality that fostered inhuman brutality and the U.S. military strategy that justified attacks on millions of civilians. And, after almost sixty years of mystery, Bradley finally reveals the fate of the eight American Flyboys, all of

whom would ultimately face a moment and a decision that few of us can even imagine. Flyboys is a story of war and horror but also of friendship and honor. It is about how we die, and how we live--including the tale of the Flyboy who escaped capture, a young Navy pilot named George H. W. Bush who would one day become president of the United States. A masterpiece of historical narrative, Flyboys will change forever our understanding of the Pacific war and the very things we fight for.

The China Mirage Jan 02 2023 "Bradley is sharp and rueful, and a voice for a more seasoned, constructive vision of our international relations with East Asia." --Christian Science Monitor James Bradley introduces us to the prominent Americans--including FDR's grandfather, Warren Delano--who in the 1800s made their fortunes in the China opium trade. Meanwhile, American missionaries sought a myth: noble Chinese peasants eager to Westernize. The media propagated this mirage, and FDR believed that supporting Chiang Kai-shek would make China America's best friend in Asia. But Chiang was on his way out and when Mao Zedong instead came to power, Americans were shocked, wondering how we had "lost China." From the 1850s to the origins of the Vietnam War, Bradley reveals how American misconceptions about China have distorted our policies and led to the avoidable deaths of millions. The China Mirage dynamically explores the troubled history that still

defines U.S.-Chinese relations today.

The Marriage of Heaven and Hell Nov 07 2020 The Marriage of Heaven and Hell represents Blake's first full-scale attempt to present his philosophic message. In it he expresses his extreme humanist views through a system in which Angels and Devils change places, Good becomes Evil, Heaven is Hell. The 27 colour plates are the work of Blake himself, with commentary and introduction by Sir Geoffrey Keynes.

Magic Or Mirage Oct 07 2020
Karmelin Nov 27 2019
Karmelin Is The Moving Saga Of A Young Orphaned Girl's Trials And Tribulations And Of Her Attempt To Break Free From The Shackles Of Poverty, And As She Grows Older, To Bring Up Her Daughter In A Small Gossip-Ridden Village In South Goa With Dignity And Self-Respect. The Novel Follows The Fortunes Of Karmelin, The Protagonist Who, Let Down By A Drunken Wastrel Of A Husband And Pursued By Poverty, Bravely Maps Her Own Destiny. She Is Eventually Compelled To Work As A Maid In Kuwait To Ensure A Better Future For Her Family And To Repay Old Debts.

The Mirage of a Space between Nature and Nurture Sep 05 2020 In this powerful critique, the esteemed historian and philosopher of science Evelyn Fox Keller addresses the nature-nurture debates, including the persistent disputes regarding the roles played by genes and the environment in determining individual traits and behavior.

Keller is interested in both how an oppositional “versus” came to be inserted between nature and nurture, and how the distinction on which that opposition depends, the idea that nature and nurture are separable, came to be taken for granted. How, she asks, did the illusion of a space between nature and nurture become entrenched in our thinking, and why is it so tenacious? Keller reveals that the assumption that the influences of nature and nurture can be separated is neither timeless nor universal, but rather a notion that emerged in Anglo-American culture in the late nineteenth century. She shows that the seemingly clear-cut nature-nurture debate is riddled with incoherence. It encompasses many disparate questions knitted together into an indissoluble tangle, and it is marked by a chronic ambiguity in language. There is little consensus about the meanings of terms such as nature, nurture, gene, and environment. Keller suggests that contemporary genetics can provide a more appropriate, precise, and useful vocabulary, one that might help put an end to the confusion surrounding the nature-nurture controversy.

Mirage of Police Reform Jun 26 2022 A free ebook version of this title is available through Luminos, University of California Press’s Open Access publishing program. Visit www.luminosoa.org to learn more. In the United States, the exercise of police authority—and the public’s trust that police authority is used properly—is a recurring

concern. Contemporary prescriptions for police reform hold that the public would better trust the police and feel a greater obligation to comply and cooperate if police-citizen interactions were marked by higher levels of procedural justice by police. In this book, Robert E. Worden and Sarah J. McLean argue that the procedural justice model of reform is a mirage. From a distance, procedural justice seemingly offers a relief from strained police-community relations. But a closer look at police organizations and police-citizen interactions shows that the relief offered by such reform is, in fact, illusory.

[From Miracle to Mirage](#) Apr 12 2021 Myungji Yang’s *From Miracle to Mirage* is a critical account of the trajectory of state-sponsored middle-class formation in Korea in the second half of the twentieth century. Yang’s book offers a compelling story of the reality behind the myth of middle-class formation. Capturing the emergence, reproduction, and fragmentation of the Korean middle class, *From Miracle to Mirage* traces the historical process through which the seemingly successful state project of building a middle-class society resulted in a mirage. Yang argues that profitable speculation in skyrocketing prices for Seoul real estate led to mobility and material comforts for the new middle class. She also shows that the fragility inherent in such developments was embedded in the very formation of that socioeconomic group. Taking

exception to conventional views, Yang emphasizes the role of the state in producing patterns of class structure and social inequality. She demonstrates the speculative and exclusionary ways in which the middle class was formed. Domestic politics and state policies, she argues, have shaped the lived experiences and identities of the Korean middle class. *From Miracle to Mirage* gives us a new interpretation of the reality behind the myth. Yang’s analysis provides evidence of how in cultural and objective terms the country’s rapid, compressed program of economic development created a deeply distorted distribution of wealth.

The Sustainability Mirage Sep 17 2021 This thoughtful and original study throws important critical light on the dominant orthodoxies about sustainable development, and suggests a radically new direction. Foster argues compellingly that present approaches embody floating standards and bad faith, trapping societies into inaction. I suspect this is a seminal piece of work. Professor Robin Grove-White, former Chair of Greenpeace UK We all have a nagging concern that what international corporations and governments term ‘sustainable’ is not sustainable at all. John Foster’s clear and beautifully written text shows the deep flaws in current approaches and proposes a reassessment of what true sustainability really implies. Chris Goodall, Chair of Dynmark International and author of *How to Live a Low-*

Carbon Life This comprehensive and yet very readable book will go a long way towards puncturing some of the glib environmentalisms of our moment, and perhaps towards helping us imagine deeper and more thoroughgoing alternatives that might actually work! Bill McKibben, author of *Deep Economy* and *The End of Nature* 'Brilliantly and ironically written, this book shades a bright light on most foggy areas around the concept of sustainability. Those fastidious obscure points do not fit properly in the reassuring technical solutions to Climate Change. Foster puts a name on those shapeless shadows that inevitably induce the sensation of something being wrong.' Italian Insider Sustainable development thinking got environmental issues onto the agenda but it may now be stopping us from taking serious action on climate change and other crucial planetary issues. Sustainable developments attempted deal between present and future will always collapse under the pressure of now because the needs of the present always win out. Inevitably, this means movable targets and action that will always fall short of what we need. Ultimately, sustainable development is the pursuit of a mirage, the politics of never getting there. To escape the illusion, we must break through to a new way of understanding sustainability by focusing on the deep needs of the present, not slippery obligations to the future. Rising to the carbon

challenge now, not trying to micro-manage the longer term. Looking to the science for orders of magnitude and direction, not a gameplan. Harnessing the short-term dynamics of capitalism to the cause of learning our way forward. This book outlines an alternative to the mainstream and offers the kind of bold new thinking on energy usage, governance, education and the role of enterprise that we need to win the coming war on climate change.

Madame Mirage Dec 01 2022 A pair of sisters seek payback on a supervillain syndicate - but all is not as it seems! Combining action, engaging characters, and a unique concept involving high-tech illusions, noted writer Paul Dini has crafted a compelling tale of mystery, revenge, and deception. *Madame Mirage* features stunning artwork by Top Cow's latest find, Kenneth Rocafort.

Mirage Feb 08 2021 Daniel Kalen, an Israeli fighter pilot, sets out on a mission to steal the blueprints of the Mirage 5 jet fighter. First published Methuen, 1988
