**Dear Mr. Dickens** Oct 09

2020 In Eliza Davis's day, Charles Dickens was the most celebrated living writer in England. But some of his books reflected a prejudice that was all too common at the time: prejudice against Jewish people. Eliza was Jewish, and her heart hurt to see a Jewish character in Oliver Twist portrayed as ugly and selfish. She wanted to speak out about how unfair that was, even if it meant speaking out against the great man himself. So she wrote a letter to Charles Dickens. What happened next is history.

*The Coach's Strength Training Playbook* Jan 12 2021 Strength and conditioning specialist Joe Kenn draws upon the three strength disciplines; weightlifting, powerlifting, and body building, as well as training principles of traditional periodization and high-intensity training, to

define the "Tier System" of athletic-based strength training. The tier system promotes training athletes on a rotation of movements (total body, upper body, lower body) rather than training body parts. The result is an integrated, "whole-body" strength training program with greater real-world and sport-appropriate applicability. The book explores an overview of the system, and provides annual plan development, training cycles, and daily and weekly plans. Ideal for coaches and trainers of football, basketball, track & field, wrestling, gymnastics and any sport requiring maximum and explosive strength.
