Rewire Your Brain Mar 27 2022 How to rewire your brain to improve virtually every aspect of your life-based on the latest research in neuroscience and psychology on neuroplasticity and evidence-based practices Not long ago, it was thought that the brain you were born with was the brain you would die with, and that the brain cells you had at birth were the most you would ever possess. Your brain was thought to be "hardwired" to function in predetermined ways. It turns out that's not true. Your brain is not hardwired, it's "softwired" by experience. This book shows you how you can rewire parts of the brain to feel more positive about your life, remain calm during stressful times, and improve your social relationships. Written by a leader in the field of Brain-Based Therapy, it teaches you how to activate the parts of your brain that have been underactivated and calm down those areas that have been hyperactivated so that you feel positive about your life and remain calm during stressful times. You will also learn to improve your memory, boost your mood, have better relationships, and get a good night sleep. Reveals how cutting-edge developments in neuroscience, and evidence-based practices can be used to improve your everyday life Other titles by Dr. Arden include: *Brain-Based Therapy-Adult*, *Brain-Based Therapy-Child*, *Improving Your Memory For Dummies* and *Heal Your Anxiety Workbook* Dr. Arden is a leader in integrating the new developments in neuroscience with psychotherapy and Director of Training in Mental Health for Kaiser Permanente for the Northern California Region Explaining exciting new developments in neuroscience and their applications to daily living, *Rewire Your Brain* will guide you through the process of changing your brain so you can change your life and be free of self-imposed limitations.

The Half-Truth High Jul 31 2022 Did you ever wonder why self-improvement strategies dealing with change and success make things seem so reasonable? Could it be that what makes all these mantras and pop books so appealing on a mass scale is the same thing that keeps them from working. They all "make sense." But are all the things that make sense TRUE? Dr. Fleming takes you deep within the mind of a psychologist and leadership consultant, letting you in on the secrets of the half-truth-the clever way we convince ourselves we are changing bad habits, leading a company to profitability, or even rising personally to the highest level of thinking about ultimate reality. Utilizing a questioning process that turns half-truths over to find the denied part of reality in us all, Dr. Fleming paves a way to understanding and change that no simple "7 Tips or Tools" book could possibly provide.

The 48 Laws of Power Nov 10 2020 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Miserable Mill Jan 25 2022 There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but *The Miserable Mill* contains none of them. Within its pages one will find a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident and coupons. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

An Atlas of Fantasy Jan 13 2021 More than one hundred detailed maps depict lands of fantasy, folk-lore, and fiction from Atlantis to Oz as described by novelists, cartoonists, utopians, and story-tellers

Mein Kampf Jun 05 2020 *Mein Kampf* ("My Struggle") is an important historical document which should not be forgotten, it remains important to educate and explain clearly what this work set out to achieve. This book is the political manifesto and philosophical autobiography of Adolf Hitler. It became known as the 'bible' of National Socialism (Nazism) in Germany's Third Reich. The first volume, entitled "The Settlement 'Revenge'" was written in 1924 in the Bavarian fortress of Landsberg am Lech. It highlights the First World War, and the "betrayal" of Germany's collapse in 1918; it also expresses Hitler's racist ideology as well as revenge against France. It was considered proper to own a copy and to give one to newlyweds or to celebrate any similar occasion. Revelations concerning the nature of his character and his blueprint for Germany's future served as a warning to the world. A warning that was mostly ignored. This book contains both volumes and has been fully translated to English.

You Are Here Sep 28 2019 A new book from #1 New York Times bestselling author Jenny Lawson, destined to be a classic—part therapy, part best friend, part humor, part coloring book. When Jenny Lawson is anxious, one of the things she does is to draw. Elaborate doodles, beautiful illustrations, often with captions that she posts online. At her signings, fans show up with printouts of these drawings for Jenny to autograph. And inevitably they ask her when will she publish a whole book of them. That moment has arrived. *You Are Here* is something only Jenny could create. A combination of inspiration, therapy, coloring, humor, and advice, this book is filled with Jenny's amazingly intricate illustrations, all on perforated pages that can be easily torn out, hung up, and shared. Drawing on the tenets of art therapy—which you can do while hiding in the pillow fort under your bed—*You Are Here* is ready to be made entirely your own. Some of the material is dark, some is light; some is silly and profane and irreverent. Gathered together, this is life, happening right now, all around, in its messy glory, as only Jenny Lawson could show us.

Your Head is a Houseboat Aug 08 2020 *Your Head is a Houseboat* is a uniquely hilarious guide to what goes on in your brain, from illustration sensation Campbell Walker aka Struthless. The only truth we really know is that we're going to spend the rest of our lives in our own houseboat (our head) so it makes sense to make that houseboat as good as possible. The houseboat needs cleaning and maintenance, and it shouldn't be weighed down by junk (our own thoughts and other people's opinions). There's a bunch of bosses with different ideas about where you should be heading in the ocean of life, and a zoo of animalistic desires below the deck who are really steering. But it's your houseboat, so it's probably time for you to cast away and set sail (is that even how houseboats work?) on a journey to understanding it. In *Your Head is a Houseboat*, Cam demystifies brain functions, mental health, emotions, mindfulness and psychology – but with less complex terminology and more bizarre metaphors. It's a book filled with illustrations, journal exercises and words that will probably hit too close to home. At its core, this is a funny, accessible approach to understanding your head and making it a nicer place to live. 'The most important and accessible mental health book in a generation. Truly life-changing.' – Osher Günsberg

The 500 Years of Indigenous Resistance Comic Book: Revised and Expanded May 29 2022 This publication meets the EPUB Accessibility requirements and it

also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A book with many images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

Let's Pretend This Never Happened Oct 02 2022 Even when I was funny, I wasn't this funny' Augusten Burroughs, author of *Running With Scissors* Have you ever embarrassed yourself so badly you thought you'd never get over it? Have you ever wished your family could be just like everyone else's? Have you ever been followed to school by your father's herd of turkeys, mistaken a marriage proposal for an attempted murder or got your arm stuck inside a cow? OK, maybe that's just Jenny Lawson . . . The bestselling memoir from one of America's most outlandishly hilarious writers.

A Series of Unfortunate Events #6: The Ersatz Elevator Feb 11 2021 NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemon Snicket's uproariously unhappy books continue to win readers, despite all his warnings.

Crap Taxidermy Oct 10 2020 You won't know whether to laugh or cry at these spectacularly bad attempts at taxidermy, brought to you courtesy of the hit website crappytaxidermy.com. The site's plethora of bad taxidermy examples - including a squirrel riding a rattlesnake like a cowboy, and various anatomically imaginative renderings of all creatures great and small - have proved hugely popular. Here the very best of the worst stuffed animals are brought together in one full-colour volume; with additional features including a DIY 'Stuff Your Own Mouse' lesson, and an author's introduction to the craze for getting stuffed.

Ask a Manager Sep 08 2020 I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask a Manager' is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in) - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Barely Functional Adult Jan 01 2020 "Funny, introspective, and touching. . . . The lessons Meichi gently shares with us through delightful stories are full of wisdom for people at any life stage who need a reminder they're not alone." —Mari Andrew, author of *Am I There Yet?* From the creator of Barely Functional Adult, a painfully relatable webcomic with over 130k followers on Instagram, comes a never-before-seen collection of incriminating short stories about exes, murder, friendship, therapy, anxiety, Hufflepuff, sucking at things, freaking out about things, calming down momentarily, melodrama, wrinkles, pettiness, and other wonderful delights. Wielding her trademark balance of artful humor, levity, and heartbreaking introspection, Meichi Ng's indisputably relatable collection of short stories holds a mirror to our past, present, and future selves. Featuring a swaddled Barely Functional Adult as its protagonist who says all the things we think but dare not say, this book is equal parts humorous and heartbreaking as it spans a spectrum of topics from imposter syndrome, therapy, friendships, first loves, letting go of exes, to just trying to find your purpose in the world. Prepare to excitedly shove this book in your friend's face with little decorum as you shout, "THIS IS SO US!" In this beautiful, four-color collection compiled completely of never-before-seen content, Meichi perfectly captures the best and worst of us in every short story, allowing us to weep with pleasure at our own fallibility. Hilarious, relatable, and heart-wrenchingly honest, Barely Functional Adult will have you laughing and crying in the same breath, while taking solace in the fact that we're anything but alone in this world.

A Series of Unfortunate Events 01. The Bad Beginning Jun 17 2021 There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantness befall the charming and clever Baudelaire children read on . . . In *The Bad Beginning* the three youngsters encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. Then again, why trouble yourself with the unfortunate resolutions? With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

The Penultimate Peril Apr 27 2022 The Baudelaire orphans disguise themselves as employees of the Hotel Denoument and find themselves pursued by the evil Count Olaf and others.

My Ántonia Jun 29 2022 'My Ántonia' was originally published in 1918 and was praised as a masterpiece of Willa Cather. It evokes the life of Willa Cather's childhood, and commemorates the spirit and courage of immigrant pioneers in America. One of Cather's earliest novels, it is the story of Ántonia Shimerda, who arrives on the Nebraska frontier as part of a family of Bohemian emigrants. Her story is told through the eyes of Jim Burden, a neighbor who will befriend Ántonia, teach her English, and follow the remarkable story of her life. Working in the fields of waving grass and tall corn that dot the Great Plains, Ántonia forges the durable spirit that will carry her through the challenges she faces when she moves to the city. But only when she returns to the prairie does she recover her strength and regain a sense of purpose in life. In the quiet, probing depth of Willa Cather's art, Ántonia's story becomes a mobbing elegy to those whose persistence and strength helped build the American frontier.

It's All Absolutely Fine Sep 01 2022 IT'S ALL ABSOLUTELY FINE is a darkly comic, honest and unapologetic account of daily struggles with mental health and what it's like trying to be a person when you feel like a potato. This book walks readers through the ups, downs and sideways of life, illuminating very real problems, all with Ruby's trademark originality and humour. It's an empowering book that will make you think, make you laugh, and make things that little bit more ok.

Ten Rules for Faking It Apr 03 2020 'Impossible to read without smiling - escapist romantic comedy at its finest' Lauren Layne 'Once you start reading, you won't be able to put it down' Lyssa Kay Adams What happens when your love life becomes the talk of the town? As birthdays go, this year Everly Dean has hit rock bottom. If catching her boyfriend cheating with his assistant wasn't enough, Everly's rant about Simon the Snake, a.k.a. Cheating Ex, accidentally being broadcast live on the radio really sealed the deal... When public humiliation turns her into a viral sensation with a string of potential dates, and suddenly there's some serious chemistry with her cute but until now distant boss Chris, Everly - the woman who could win a gold medal in people-avoidance - is going to have to dig deep. They say fake it till you make it, and Everly's making a list: The Ten Rules for Faking It. Because sometimes making the rules can find you happiness when you least expect it. 'This is a Hallmark movie in book form' Helen Hoang 'A funny, sweet rom com from a fresh, sparkling new voice' Andie J. Christopher

The Beatrice Letters Jul 07 2020 Who is Beatrice, the woman to whom Mr Snicket dedicates every book? There is no question more often asked by fans of Lemony Snicket. Now this captivating collection of letters between Lemony Snicket and Beatrice provides the answers.

The Book Thief Mar 15 2021 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

A Series of Unfortunate Events Collection: Books 7-9 Aug 27 2019 NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: Would you rather sprain your ankle, bruise your hip, and lose a toe to frostbite on the same day? Or would you rather have these accidents happen on three different days? This electronic collection of volumes seven through nine in A Series of Unfortunate Events by Lemony Snicket is the e-equivalent of having three ghastly accidents

right in a row. Contained here are such unpleasanties as kidnapping, disguise, murder, paperwork, another disguise, heart-shaped balloons, false allegations, stiletto heels, a shattered crystal ball, a cryptic map, an irritating song, and quite a few more disguises, all bundled together into a continuous barrage of horror and dismay. The more sensible approach would be to read *The Vile Village*, *The Hostile Hospital*, and *The Carnivorous Carnival* months or even years apart from one another, so you have time to recuperate from the misery each volume offers—or better yet, to turn your eyes away from Mr. Snicket's work and find an electronic experience that would cause you no distress whatsoever.

How the Other Half Lives Sep 20 2021

Hyperbole and a Half Jan 05 2023 #1 New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

The Midnight Library Jul 19 2021 THE SUNDAY TIMES NUMBER ONE BESTSELLING WORLDWIDE PHENOMENON READERS' MOST LOVED BOOK OF 2021 WINNER OF THE GOODREADS CHOICE AWARD FOR FICTION 'BEAUTIFUL' Jodi Picoult, 'UPLIFTING' i, 'BRILLIANT' Daily Mail, 'AMAZING' Joanna Cannon, 'ABSORBING' New York Times, 'THOUGHT-PROVOKING' Independent Nora's life has been going from bad to worse. Then at the stroke of midnight on her last day on earth she finds herself transported to a library. There she is given the chance to undo her regrets and try out each of the other lives she might have lived. Which raises the ultimate question: with infinite choices, what is the best way to live?

The Plague Year Oct 29 2019 'A virtuoso feat ... a book of panoramic breadth' New York Times Book Review 'A devastating analysis ... Wright is a master of knitting together complex narratives' The Observer Just as Lawrence Wright's *The Looming Tower* became the defining account of our century's first devastating event, 9/11, so *The Plague Year* will become the defining account of the second. The story starts with the initial moments of Covid's appearance in Wuhan and ends with Joseph Biden's inauguration in an America ravaged by well over 400,000 deaths - a mortality already some ten times worse than US combat deaths in the entire Vietnam War. This is an anguished, furious memorial to a year in which all of America's great strengths - its scientific knowledge, its great civic and intellectual institutions, its spirit of voluntarism and community - were brought low, not by a terrifying new illness alone, but by political incompetence and cynicism on a scale for which there has been no precedent. With insight, sympathy, clarity and rage, *The Plague Year* allows the reader to see the unfolding of this great tragedy, talking with individuals on the front line, bringing together many moving and surprising stories and painting a devastating picture of a country literally and fatally misled. 'Maddening and sobering - as comprehensive an account of the first year of the pandemic as we've yet seen' Kirkus

Solutions and Other Problems Nov 03 2022 *THE NO.1 NEW YORK TIMES BESTSELLER* For the first time in seven years, Allie Brosh, the creator of the immensely popular blog 'Hyperbole and a Half' and #1 New York Times bestselling author, returns with her new collection. *Solutions and Other Problems* includes humorous stories from Allie Brosh's childhood; the adventures of her very bad animals; merciless dissection of her own character flaws; incisive essays on grief, loneliness, and powerlessness; as well as reflections on the absurdity of modern life. This full-colour, beautifully illustrated edition features all-new material with more than 1,600 pieces of art. *Solutions and Other Problems* marks the return of a beloved American humourist who has "the observational skills of a scientist, the creativity of an artist, and the wit of a comedian" (Bill Gates). Praise for Allie Brosh's *Hyperbole and a Half*: 'A hilarious collection' Mashable 'Will certainly help you, should you perhaps decide to indulge in a spot of "self-gifting" in this instance, survive Christmas with your more crazed relatives' Rachel Cooke, Observer 'It's impossible not to warm to cartoonist and blogger Allie. If she doesn't get to you with her funny childhood anecdotes (eating an entire birthday cake) then her honest reflections on depression will' Grazia

A Christmas Carol Nov 30 2019 Stunning illustrations by award-winning artist Lee Krutop accompany this timeless Christmas story. Each spread features a beautiful pop-up. This book is a special keepsake to be enjoyed and shared with loved ones for many years to come.

Adulthood Is a Myth Oct 22 2021 GOODREADS CHOICE AWARD WINNER FOR GRAPHIC NOVELS AND COMICS! These casually drawn, perfectly on-point comics by the hugely popular young artist Sarah Andersen are for the rest of us. They document the wasting of entire beautiful weekends on the internet, the unbearable agony of holding hands on the street with a gorgeous guy, and dreaming all day of getting home and back into pajamas. In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. *Adulthood Is a Myth* presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah's frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.

Half Bad Feb 23 2022 In modern-day England, where witches live alongside humans, Nathan, son of a White witch and the most powerful Black witch, must escape captivity before his seventeenth birthday and receive the gifts that will determine his future.

The Hostile Hospital May 17 2021 There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but *The Hostile Hospital* contains none of them. Within its pages are such burdensome details as a suspicious shopkeeper, unnecessary surgery, heartshaped balloons, and some very startling news about a fire. Clearly you do not want to read about such things. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

A Series of Unfortunate Events #3: The Wide Window Dec 12 2020 Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket

A Series of Unfortunate Events 02. The Reptile Room Aug 20 2021 There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasanties befall the charming and clever Baudelaire children read on . . . In *The Reptile Room* the siblings endure a car accident, a terrible smell, a deadly serpent, a long knife, a brass reading lamp, and the re-appearance of a person they'd hoped never to see again. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

Little People in the City Dec 24 2021 'They're Not Pets, Susan,' says a stern father who has just shot a bumblebee, its wings sparkling in the evening sunlight; a lone office worker, less than an inch high, looks out over the river in his lunch break, 'Dreaming of Packing it all In'; and a tiny couple share a 'Last Kiss' against the soft neon lights of the city at midnight. Mixing sharp humour with a delicious edge of melancholy, "Little People in the City" brings together the collected photographs of Slinkachu, a street-artist who for several years has been leaving little hand-painted people in the bustling city to fend for themselves, waiting to be discovered. . . 'Oddly enough, even when you know they are just hand-painted figurines, you can't help but feel that their plights convey something of our own fears about being lost and vulnerable in a big, bad city.' "The Times"

Furiously Happy Nov 22 2021 'It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey

butler how to shampoo your hair." Jenny Lawson - aka The Bloggess - returns with the follow-up to her bestselling memoir *Let's Pretend This Never Happened*, recounting stories from everyday family life in her inimitably frank, hilarious, bizarre and endearing way. She describes her battles with depression and anxiety and her quest to overcome them by saying yes to even the absurdist opportunities and making the good times gloriously good. For as Jenny says: "You can't experience pain without also experiencing the baffling and ridiculous moments of being fiercely, unapologetically, intensely and (above all) furiously happy..." It's a philosophy that has - quite literally - saved her life.

Hyperbole and a Half (kf8) Dec 04 2022

Factfulness Jan 31 2020 INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." – Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

The Imperfect Disciple Mar 03 2020 Too many discipleship books are written for clean, perfect people who know all the right Sunday school answers. The Imperfect Disciple is for the rest of us—people who screw up, people who are weary, people who are wondering if it's safe to say what they're really thinking. For the believer who is tired of quasi-spiritual lifehacks being passed off as true, down-and-dirty discipleship, here is a discipleship book that isn't afraid to be honest about the mess we call real life. With incisive wit, warm humor, and moving stories, Jared Wilson shows readers how the gospel works in them and in their lives when - they can't get their act together - they think God is giving them the silent treatment - they think church would be better without all the people - they're not happy with the person in the mirror - and much more Wilson frees readers from the self-doubt and even the misplaced self-confidence they may feel as they walk with Jesus down the often difficult road of life. The result is a faith that weathers storms, lifts burdens, and goes forth to make more imperfect disciples.

The Negro Motorist Green Book Apr 15 2021 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Unfolding May 05 2020 Jonah wishes he could get the girl, but he's an outcast and she's the most perfect girl he knows. And their futures seemed destined to fork apart: Jonah's physical condition is debilitating, and epileptic seizures fill his life with frustration. Whereas Stormi is seemingly carefree, and navigates life by sensing things before they happen. And her most recent premonition is urging her to leave town. When Stormi begs Jonah for help, he finds himself swept into a dark mystery his small town has been keeping for years. And the answers Stormi needs about her own past could possibly destroy everything Jonah has ever known—including his growing relationship with Stormi herself. Advance praise: "Friesen's story unfolds with so much intrigue, swells with so much heart, I had to keep reading. And the writing? Beautiful!" —Jay Asher, author of the #1 New York Times bestselling novel *Thirteen Reasons Why* "As someone with Tourette Syndrome, I grew up with a condition that others did not understand. It affected the way I was viewed and the way I viewed myself. I applaud Jonathan Friesen for telling a story about overcoming such a challenge in *Unfolding*. Hopefully, this will inspire others growing up with such conditions as well as help everyone else better understand what is involved." —Tim Howard, former US national team goaltender and current goalkeeper for the Colorado Rapids
