The Mystery of the Missing Will May 02 2020

Sleeping Angel Jul 16 2021 April Dunne has survived murder, tragedy and the near-complete destruction of her life as she knew it . . . now it's time to solve the Ravenwood mystery once and for all. To save her vampire boyfriend Gabriel, she has to identify the Vampire King. To save her friends, she has to work out what's really going on at Ravenwood school, in Highgate. To save her family, she has to uncover, once and for all, who really murdered her father and why. But it's possible not even being a Fury will be enough to save April Dunne herself ...

By Midnight Jan 22 2022 April Dunne is not impressed. She's had to move from Edinburgh to Highgate, London, with her parents. She's left her friends - and her entire life - behind. She has to start at a new school and, worst of all, now she's stuck in a creepy old dump of a house which doesn't even have proper mobile phone reception. Ravenwood, her new school, is a prestigious academy for gifted (financially or academically) students - and the only place her parents could find

her a place, in the middle of term, in the middle of London, on incredibly short notice. So she's stuck with the super-rich, and the super-smart ... and trying to fit in when the rest of the students seem to be more glamorous, smarter, or more talented than she is, is more than tough. It's intimidating and isolating, even when she finds a friend in the conspiracy-theorist Caro Jackson - and perhaps finds something more than friendship in the gorgeous, mysterious Gabriel Swift. But there's more going on at Ravenwood than meets the eye. Practical jokes on new students are normal, but when Gabriel saves her from ... something ... in Highgate Cemetery, and then she discovers that a murder took place just yards away from where she had been standing, April has to wonder if something more sinister is going on. ... and whether or not she's going to live through it ... To find out more about the Ravenwood series visit www.ravenwoodmysteries.com

Darkness Falls May 14 2021 April Dunne is having a rough time. There are vampires in her school. Not Goths, or Emos in fancy dress. Dangerous, blood-sucking semi-immortals. They run the school. They pretend to be students at it. And they're using their influence to recruit smart, rich students - aka 'bleeders' - to their own cause. What is that cause? April isn't sure. But she knows they killed a rock star for it, and innocents who got too close to the truth. One of them almost killed her. But that's nothing to what's coming next. Gabriel, her kinda-boyfriend, is dying and unless April can find a cure then not only is she going to be boyfriendless, she's also going to lose one of her major allies in the school. And she really needs allies. Because it turns out April has an ability of her own, one that could prove lethal to the 'Suckers' who've taken over the school. If any of them figure out what she is, then losing her boyfriend will be the least of her problems ...

Double Twist (A Mia Murphy Mystery) Aug 05 2020 In this new mystery series from New York Times bestselling author Stephanie Rowe, the irreverent, underappreciated, and alarmingly talented Mia Murphy risks it all to do the right thing...even if it means doing the wrong thing. A high-octane, feel-good romp starring women you'll wish were your best friends, an inconveniently attractive cop, a posse of gray-haired quilters with a fondness for margaritas, and an eccentric town with more secrets than Mia's con artist mom. "An enjoyable and suspenseful whodunit with a smart, captivating hero." ~Kirkus Reviews All Mia Murphy wants is an ordinary, law-abiding life. Accidentally marrying a drug kingpin? Easily fixed with an anonymous tip to the FBI...which resulted in a not-so-voluntary, surprisingly stressful stint as an undercover spy against him. But with her ex finally in prison and assassins in her rearview mirror, Mia is off to Diamond Lake in Bass Derby, Maine with King Tut, her rescue (aka purloined) cat, to start over. Upon arrival, Mia quickly finds a couple of soulmates in a blue-haired "I'll show you what old is" café owner and a baton-twirling mail carrier. Life is headed in the right direction...until the trio stumbles across a dead body during a slightly illegal but well-intentioned home invasion. When one of her new besties is arrested for the murder, Mia is the only one with the skills to ferret out the real killer...but she can't afford to resurrect her morally flexible past. Can Mia keep her life on the straight and narrow with so much at stake? Or will a homicidal, jet-skiing moose, a dead Mr. January firefighter, and an overzealous mayor take them all down? Mia has to step up, or she'll lose her chance for the life she's always wanted and the friends she's never had. Even worse, she might wind up dead... "A laugh-out-loud, nail-biting, page-turning read."

Stranded in Provence, Books 1-3 Feb 20 2022 My name is Jules Hooker. I have lived through a few crappy moments in my life—and with a name like Hooker, you can just imagine—but nothing, nothing, compares to the two intensely and world-shatteringly crappy things that happened to me this last June. Three, I guess, if you count Gilbert. After my boyfriend dumped me on the day I thought he was going to propose, I'd have to say two other really bad things happened last June. The first would have to be the dead body I discovered in the rental house in France where I went to get over being dumped. The second—and very possibly I should have led with this—was the dirty bomb that exploded over the Riviera throwing me and everyone else in France back to the 1950s. So now I'm stranded here—trying to make a living by solving murders the old fashioned way — without help from DNA, databases, CSI crime labs or the police. And I'm doing it in France. Where I do not speak the language. During the apocalypse. Sound like fun?

A Deadly Business Jul 04 2020 A prosecutor of violent criminals. A detective on a dangerous beat. When these two pros take on an off-the-books case, the line between professional and personal becomes perilously blurred. “Wiehl’s experience as a former federal prosecutor gives the narrative an authenticity in its depiction of the criminal justice system. Henry’s expertise in writing mysteries and thrillers has placed her on the short-list for the Agatha, Anthony, and Oregon Book awards. The coauthors’ . . . fast-paced detective series will keep legal thriller readers and John Grisham fans totally engrossed.” —Library Journal When a twenty-two-year-old convict walks into the courtroom, his eyes confirm what Mia Quinn already guesses: he blames her for his conviction. In seconds, he knocks her to the ground and holds a razor blade to her throat. While she manages to escape without injury, it's just one more reminder that Mia's job prosecuting Seattle's s most dangerous criminals is far from low risk. As a single mom, the last thing Mia wants is for her work to follow her home or discover that it already has. Now Detective Charlie Carlson is suggesting the very thing Mia doesn't want to believe—that her accountant husband’s deadly car accident was no accident at all. When Mia and Charlie encounter resistance to reopening the case, they take the investigation into

their own hands. And they find much more than they bargained for. Was Mia's husband more than an accountant . . . and less than an honest man? As the truth becomes more shocking and the case grows more complex, her husband's killers take note of Mia . . . and her children. How far will this prosecutor go to learn the truth about her husband—and how far will she have to go to protect her family? Full length legal suspense Wiehl's real-life experience as a federal prosecutor adds authenticity to her novels Includes discussion questions for book clubs Can be read as a standalone but is also part of the Mia Quinn series Book One: A Matter of Trust Book Two: A Deadly Business Book Three: Lethal Beauty
