Aspen Moore has a new life in a new city, complete with a new career. As a personal concierge, she sells her time to those who don't have enough. One of the perks of her business is focusing on other people's lives so she doesn't have to face the demons in her own. When Aspen's most loyal customer dies and his suicide looks eerily like murder, she anonymously tips off the police so she won't expose a secret she desperately needs to keep. But, murder and mayhem are a bothersome duo and she soon finds

herself caught in a web of chaos. A string of crimes, long enough to make a real detective sweat, threaten her livelihood and ultimately her life. Aspen's only hope to untangle the mess before they cause permanent damage is to track down who's responsible. Pursuing the truth means solving the mystery of a decade-old land deal, while juggling a quirky DJ and his dog, an eccentric paraplegic, a curious set of twins, and a flirtatious neighbor with spy gadgets. Sebastian St. Cyr, Viscount Devlin, has spent years unraveling his family's tragic history. But the secrets of his past will come to light in this gripping new historical mystery from the USA Today bestselling author of *What the Devil Knows*. March, 1815. The Bourbon King Louis XVIII has been restored to the throne of France, Napoleon is in exile on the isle of Elba, and Sebastian St. Cyr, Viscount Devlin, and his wife, Hero, have traveled to Paris in hopes of tracing his long-lost mother, Sophie, the errant Countess of Hendon. But his search ends in tragedy when he comes upon the dying Countess in the wasteland at the tip of the Île de la Cité. Stabbed—apparently with a stiletto—and thrown from the bastions of the island's ancient stone bridge, Sophie dies without naming her murderer. Sophie had been living in Paris under an assumed name as the mistress of Maréchal Alexandre McClellan, the scion of a noble Scottish Jacobite family that took refuge in France after the Forty-Five Rebellion. Once one of Napoleon's most trusted and successful generals, McClellan has now sworn allegiance to the Bourbons and is serving in the delegation negotiating on behalf of France at the Congress of Vienna. It doesn't take Sebastian long to realize that the French authorities have no interest in involving themselves in the murder of a notorious Englishwoman at such a delicate time. And so, grieving and shattered by his mother's death, Sebastian takes it upon himself to hunt down her killer. But what he learns will not only shock him but could upend a hard-won world peace. Void agent and magical baker extraordinaire, Willow Rhoswen has been anticipating her first date with Talisen Kavanagh since she was sixteen. After eight years of waiting, there are only two things that can stand in her way--an assassination attempt and a new game-changing drug. Talisen's invented

a new elixir that creates superhumans, ones that can rival vampire strength, and everyone wants it. Including the vampires. With Willow's life on the line, he makes a deal with the devil, while she's forced to accept the always-strings-attached protection from the most notorious vampire organization in New Orleans. But when Talisen and his drug go missing, Willow will stop at nothing to find him, even if it means working with her vampire-ex, David. With souped-up humans, dangerous vampires, and more questions than answers, Willow has less than twenty-four hours to find him before everything changes forever. By the Man Booker-winning author Marlon James, this is the powerful story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the Night Women – a clandestine council of fierce slaves plotting an island-wide revolt – recognize a dark force in her that they treat with both reverence and fear. But as Lilith comes of age and begins to understand her own feelings and identity, she dares to push at the edges of what is imaginable for the life of a slave woman. And as rebellions simmer and unspoken jealousies intensify, Lilith’s powers and sense of purpose threaten not just her own destiny, but the destinies of all the slave women in Jamaica. It's tough being a faery in New Orleans, a city fraught with vampires... especially when their very existence drains your life-force. Willow Rhoswen, owner of The Fated Cupcake and part-time vampire hunter for the Void is having a rough week. Four years after her twin brother's mysterious death, Willow's life is threatened and the director saddles her with a new partner--her ex-boyfriend, David. To her horror, he's turned vamp, which causes her physical pain whenever she touches him... and any other specimen of the undead. In order to save Willow's life, David agrees to turn double agent against the most powerful vampire organization in New Orleans. Or so he says. And she's convinced they know something about her brother's death. Unsure where David's loyalties lie, she turns to Talisen, her childhood crush, to help her solve the mystery. Caught between two gorgeous men and a director who'll stop at nothing to control Willow's gifts, she'll have to follow her instincts and learn who to trust. Otherwise, she risks losing more than just her life. A Paranormal Women's Fiction with a bit of class, and a lot of sass, for anyone who feels like age is just a number!
