Mar 27 2022 Dive into the Omegaverse Mates World! This collection includes the first three serials taking place in the emotional but also magical world of Omegaverse Mates, where men can get pregnant and families aren't always bound to you by blood, but instead made up of people you love and who love you! Dive into this more than 450,000 words or almost 1,800 pages long saga today! **Second Chance Mates** Wilder Ten years ago, Logan left me. He told me that two Alphas cannot be together, that our mating wasn't real. Yesterday, my sister called and told me that Logan passed away, leaving behind an Omega and a child. Today, I'm at Logan's funeral. Why am I offering to look after his little family? Why am I the only one who will help them? Sterling Logan and I had everything we ever wanted. Then he was ripped away from us in a car crash. Logan's family doesn't care for me after the funeral, so one of Logan's old friends steps in. Only, in all the commotion, I didn't keep an eye on my calendar, and my heat starts at the most inconvenient of times. And why is Logan's friend reacting to my heat? Only true mates are supposed to react to a mated Omega... What's going on? **Making a Family** When your idea of asking a cute Omega to be your pretend-husband for a weekend takes an unexpected turn... Clay I have my pride as an Alpha, and I don't want to be the only unmated sibling at my youngest sister's wedding. What's a successful, but bachelor, Alpha to do? Well, maybe ask the cute Omega frequenting my cafe to be my fake husband for the weekend. Only, I didn't expect a weekend of fun to go so very differently... **Aiden** The day after my sister leaves her three-month-old to look after, to be the parent she can't be, I get an odd request from the handsome Alpha running the cafe I frequent. And who can resist a request from the only man able to make me smile this week? So, I show up, play the role of adoring husband, and that's when things go a little off-script... **Omegas' Destined Alpha** Two Omegas. One kiss. And an Alpha who wasn't supposed to see it happen... **Nathan** I'm supposed to be an author, but I haven't finished a book in years. Not since things got out of control. So, to hopefully get back on my feet, I move to a new city, start teaching at college and suddenly find myself intrigued by two Omegas that pass me by every morning. One day, on a whim, I follow them and see something I shouldn't have seen. A kiss. A beautiful kiss. And it's the start of a journey I never expected to make... **Zeke** I fled from the arranged marriage my parents set up for me and I was ready to give up on love entirely, and then my best friend saved his younger Omega brother, Wes, from a bad situation and suddenly I was falling, head over heels. It's amazing to be at Wes' side and to see him flourish, even if our relationship is a little complicated, we're making it work. Maybe love isn't so bad after all. What I hadn't counted on was the Alpha walking into the cafe, and the way my eyes keep getting drawn to him... **Wes** After my brother saved me from my abusive ex, I'm getting my feet back under me. I'm finally doing the things I was never able to do, like having a job and going to college. It's not easy to combine it with caring for my four children. But with my Omega boyfriend Zeke and my brother's family at my side, we make it work, they're all the people I'll ever need. Until, one morning, an Alpha walks into the cafe that I work at, and he asks Zeke and me out on a date, together...

Get to Know Your Mate Jul 31 2022 The Personality Extraction Profile Whether a male or female, it is critical that we use every opportunity and means we have available to choose our mate. Life is short and you don't want to waste years on a dead end relationship, which will only cost you grief, time and money in the end. Many of our relationship problems could be avoided if we took a little more time when forming them. The Personality Extraction (PE) profile provides you with a way to begin this process. At the first intention of starting a relationship is when you begin your personality extraction. This rule applies to both sexes, though women need to be more cautious of the situations they place themselves in. Often, first dates are where a woman runs into unforeseen problems. That's why it is important to apply the fundamentals of dating: know who you are dating, where they come from, their place of residence and something about their background; ask to see some identification, if they drive a car get a license number, but do this very discretely. However you do it make sure you get to know who you are dating. The Personality Extraction (PE) is a good way to start the process of getting to know your mate; you will come in contact with who he/she really is or he/she will fill you with lies. Caution is advised that while you are working on the

Personality Extraction (PE) you must be patient until completing the PE as you watch your mates personality unfold before your eyes. We understand and perceive things we hear and see in different ways; this is why the PE is arranged for the various ways people may view questions. Of course, you have those who like to play word games, but as you will see the PE will give them ample opportunities to give a truthful answer. Serious questions are asked in several ways to ensure no misunderstanding of the question asked. You have to be able to track your mates answers mentally to be able to use this portion of the book. But if your mate is honest in his/her responses, you will not have to worry about tracking his/her responses considering the fact that all concerned know that the PE is safeguarded against deception. Anyone trying to be deceptive in his/her answers should be looked upon as an untrustworthy person, incapable of having a meaningful relationship. There is no doubt that questions and answers are the foundation of all relationships. Without questions and answers there is no way to develop a relationship, this fact should be clear, and this is the foundation of the PE without proper questioning, where would any relationship go? How could we ever hope to accomplish anything without questions and answers? With the PE all the key questions are prepared for you; all you have to do is ask him/her and evaluate your proposed mates answers. This tool consists of 572 questions which have been broken down into different workable formats, ranging from a one-month time frame to a 3-to-12 month time period. These workable formats have been made to give you some idea as to how to go about completing the book in its entirety. It is not recommended to try and complete the book in a hasty fashion. The one-month format is a reasonable for those who are willing to invest the time and mental interaction which is necessary to complete the Personality Extraction at this rapid, but realistic pace. The one-month process seems to display a true element of honesty while ultimately aiming to get the relationship off to a good start. But that choice is for you and your prospective mate to decide. Choosing a time frame for completion varies for each couple. The workable formats are just suggestions which will apply a reasonable completion date to look forward to. Choose your time frame and stick to it based on your own personal relationship desires and availability. 1 month = 19 questions per day 3 months = 6 questions per day 6 months = 3 questions per day 9 months = 2 questions per day 1 year = 2 questions per

Soul Mates - the Formula Sep 01 2022 Vincent Sylvan has created a formula using astrological influences as a guidepost for finding ones soul mate. This formula gives the readers action steps on how to narrow their search along the way, to identify this mystical person that Vincent believes we all have. These are methods the author has tested and applied himself on his own quest in finding his soul mate. After many years of research, his first marriage for seventeen years, not being able to succeed, he experienced divorce and failure. This triggered him to find the answers more than ever before, and past the prime of his life, Sylvan had an awakening and developed the formula to find his other half of his soul, the only person who can inspire him to be a better person and take him to greater heights than he could have ever dreamt of by himself or with any other woman. Putting into practice the secret to his revelation, he finds her on the Internet, the hardest place to find his soul mate, to put his formula to the test. The results surpassed his expectations. Vincent realized once more the importance for everyone to find their soul mate, to

live a life of wonders. That is why he created this book. For more information on Sylvan, visit his blogs to find more about his philosophy and poetry at www.vincentsylvan.com.
