How Kirsty Gets Her Kicks Apr 23 2022 A tale of skullduggery that plays out on the mean streets of Glasgow... One-legged barmaid Kirsty is in a shit-load of trouble after she kills one of gangster Jimmy McPhee's enforcers with a stiletto heel to the head after he gets a bit too handsie. Now she's on the run from the gang boss who loves to torture his victims before he kills them, with a safe-load of cash she stole from him and a hot gun. And she has company—a choirboy barman Jamie who just happens to be the only witness. She needs to survive long enough to spend the cash. How difficult can it be to catch a “daft wee lassie with one leg?” Glasgow hardman Jimmy McPhee is about to find out. Kirsty's made a laughing stock out of him and he doesn't like that one wee bit. Bring together a one-legged barmaid who's legged it with a safe load of dirty cash, a spurned gangster's wife who wants a walking womb for her mail order sperm, a giant birthday cake and a mad chase to the end, and you've got How Kirsty Gets Her Kicks: one freaking minute at a time. Praise for HOW KIRSTY GETS HER KICKS: “A high-kicking, double-barrelled, blast of grindhouse pulp.” —Paul D. Brazill, author of Last Year's Man “How Kirsty Gets Her Kicks hits the ground running and does not let up for a single breathless second. I tore through this in one sitting, and it's a hell of a ride filled with colourful characters and casual violence—everything I look for in crime fiction—not to mention a lead character that takes everything thrown at her and just keeps on coming. This is a great story, and Jennifer Lee Thomson is a great story-teller.” —Paul Heatley, author of Fatboy, Guillotine, and the Eye for an Eye series

Caroline's Bikini Feb 19 2022 'Alright' I said, 'I'll try...' This is how Emily Stuart opens her intricate tale of a classic love affair that becomes Caroline's Bikini: a swirling cocktail of infatuation, obsession, and imagination. The moment that Emily's friend Evan Gordonstone - a successful middle-aged financier - meets Caroline Beresford - a glamorous former horsewoman, and now housewife, hostess, and landlady - there is a 'PING!' At least, that's how Evan describes it to Emily when he persuades her to record his story: the story of falling into unrequited love, which is as old as Western literature itself. Thus begins a hypnotic series of conversations set against the beguiling backdrop of West London's bars, fuelled in intensity by endless G&Ts and Q&As. From the depths of mid-winter to July's hot swelter, Emily's narration of Evan's passion for Caroline will take him to the brink of his own destruction. Written in a voice so playful, so charismatic, and so thoughtfully aware of the responsibilities of fiction it can only be by Kirsty Gunn, Caroline's Bikini is a swooning portrait of courtly love - in a modern world not celebrated for its restraint and abstraction. Ready. Steady. Go!

This trio of laugh-out-loud romantic comedies set in the Scottish Highlands features the stories of Gaby and Jack, and Katya. When Gaby flees a broken engagement, she takes refuge in a faraway village in the north-west of Scotland. In Highland Heart, Katya's relationship started promisingly... an-easy-on-the-eye guy who ticks all her boxes for brains and beauty. But their long-distance liaison takes its toll and when there is a charmer who doesn't bother to hide his attraction to her close by, who will Katya choose? Praise for Highland Fling: “It's a great mix of funny moments and that 'does he like me' awkwardness. This book is full of witty dialogue, quirky characters you just know you'd recognise if you met them, and scenery that comes to life, making you want to hop in your car and go there.” “Took only 4 nights to devour this book, and I loved every page. The story and characters were very credible, in that the lead man is somebody I wouldn't mind the “love guru” setting me up with. A great funny romantic read, ideal for holidays or a rainy day in.” “I loved this book. It's a perfect cosy read. I loved the Scottish setting, with all of the colourful and funny characters.” Reviews of Highland Heart: “Loved the second instalment of this delightful Scottish drama. Highly recommend both books for an instant Highland getaway.” “An excellent, heart-warming rom-com with all of the funniest characters from the first plus some great new ones. I loved seeing Lochalsie from Katya's point of view this time. Funny, sweet and romantic.” “Great storytelling with characters I really warmed to. I so wanted Katya to be all loved up that I couldn't put it down until I found out who'd she chosen. And the banter between the villagers was classic.”

My Kirsty Aug 28 2022 The mother of singer-songwriter Kirsty MacColl chronicles her daughter's life and the boat accident that took her daughter's life in 2000.

Kirsty Nov 30 2022 When Kirsty Jayne Pearce was born full term on February 22, 1986, she weighed just three pounds, twelve ounces. A fighter, Kirsty survived, but she was destined to experience a lifetime of an array of medical issues until her untimely death when she was seventeen years old. In this memoir, Kirsty's father, Charles Pearce, tells her story of courage and stubbornness of her birth in 1986; her baby, toddler, and adolescent years; her loving relationship with her mother, Peggy, father Charles, and her brother Tim; her unnecessary death in August of 2003; and the events that followed her passing. In Kirsty, Charles seeks justice for his daughter, who, he believes, died as a result of inadequate medical care. Kirsty provides a loving remembrance of a girl who suffered much pain in her young life, but who was honest, funny, and brave. More than that, it shows how life can change drastically without

warning.

The Undercurrents Jan 01 2023 Humane, thought provoking, and moving, this hybrid literary portrait of a place makes the case for radical close readings: of ourselves, our cities, and our histories. The Undercurrents is a dazzling work of biography, memoir, and cultural criticism told from a precise vantage point: a stately nineteenth-century house on Berlin's Landwehr Canal, a site at the center of great historical changes, but also smaller domestic ones. The view from this house offers a ringside seat onto the city's theater of action. The building has stood on the banks of the canal since 1869, its feet in the West but looking East, right into the heart of a metropolis in the making, on a terrain inscribed indelibly with trauma. When her marriage breaks down, Kirsty Bell—a British-American art critic, adrift in her midforties—becomes fixated on the history of her building and of her adoptive city. Taking the view from her apartment window as her starting point, she turns to the lives of the house's various inhabitants, to accounts penned by Walter Benjamin, Rosa Luxemburg, and Gabriele Tergit, and to the female protagonists in the works of Theodor Fontane, Irmgard Keun, and Rainer Werner Fassbinder. A new cultural topography of Berlin emerges, one which taps into energetic undercurrents to recover untold or forgotten stories beneath the city's familiar narratives.

The Artist's House Jun 01 2020 The artist's house is a prism through which to view not only the artistic practice of its inhabitant, but also to apprehend broader developments in sculpture and contemporary art in relation to domestic architecture and interior space. Based on a series of interviews and site visits with living artists about the role of their home in relation to their work, Kirsty Bell looks at the house as receptacle, vehicle, model, theater, or dream space. In-depth analyses of these contemporary examples—including Jorge Pardo, Mirosław Bałka, Danh Vo, Gregor Schneider, Frances Stark, Marc Camille Chaimowicz, Dominique Gonzalez-Foerster, Paweł Althamer, Mark Leckey, Monika Sosnowska, Gabriel Orozco, Rirkrit Tiravanija, and Andrea Zittel—are contextualized by key artists of the twentieth century such as Kurt Schwitters, Alice Neel, Edward Krasiński, Carlo Mollino, and Louise Bourgeois. A two-way flow from the domestic arena to the exhibition space becomes apparent, in which the everyday has a significant role to play in the merging of such developments as installation art, relational aesthetics, expanded collage, and performance art.
