Now updated for the 2016 PMP exam Learn the latest principles and certification objectives in The PMBOK® Guide, (Fifth Version), in a unique and inspiring way with Head First PMP. This book helps you prepare for the PMP certification exam using a visually rich format designed for the way your brain works. You'll find a full-length sample exam included inside the book. More than just proof of passing a test, a PMP certification means that you have the knowledge to solve most common project problems. But studying for a difficult four-hour exam on project management isn't easy, even for experienced project managers. Drawing on the latest research in neurobiology, cognitive science, and learning theory, Head First PMP offers you a multi-sensory experience that helps the material stick, not a text-heavy approach that puts you to sleep. This book will help you: Learn PMP's underlying concepts to help you understand the PMBOK principles and pass the certification exam with flying colors Get 100% coverage of the latest principles and certification objectives in The PMBOK Guide, Fifth Edition Make use of a thorough and effective preparation guide with hundreds of practice questions and exam strategies Explore the material through puzzles, games, problems, and exercises that make learning easy and entertaining

Head First PMP puts project management principles into context to help you understand, remember, and apply them—not just on the exam, but also on the job. November issue includes abridged index to yearly volume. This is the only comprehensive guide to getting ready to pass the Project Management Professional (PMP(R)) Certification Exam. This third edition is current and complete with 60 more pages and over 600 changes from the last edition. Tells you what to study and how to study and helps increase your confidence. This book has been selected by Project Management Institute (PMI(R)) for their only PMP review class in 1999 and by many PMI chapters for the chapter PMP review classes. Offering hundreds of sample questions, thought-provoking exercise, and critical time-saving tips, this book will help you pass the PMP exam on your first try. Will teach you tricks of the trade for passing the exam and help you identify gaps in your knowledge. Even leaving aside the vast death and suffering that it wrought on indigenous populations, German ambitions to transform Southwest Africa in the early part of the twentieth century were futile for most. For years colonists wrestled ocean waters, desert landscapes, and widespread aridity as they tried to reach inland in their effort of turning outwardly barren lands into a profitable settler colony. In his innovative environmental history, Martin Kalb outlines the development of the colony up to World War I, deconstructing the common settler narrative, all to reveal the importance of natural forces and the Kaisereich's everyday violence. This book is an edited volume of eleven specially-commissioned essays by a range of established and emerging UK-based Hispanists, which assess recent developments in the disciplines falling under the umbrella of 'Iberian Studies'. These essays, which cover a wide range of time periods and geographical areas, but are united by the common question of what it means to 'Read Iberia', offer an invigorating critique of many of the critical assumptions shaping the study of Iberian languages and literatures. This volume offers a timely

intervention into the debate about the current repositioning of language/literature disciplines within the UK university. Its intellectual starting point is the need for a committed and incisive re-evaluation of the role of literature and the way we teach and research it. The contributors address this issue from a diverse range of linguistic, cultural and theoretical backgrounds, drawing on both familiar and not-so-familiar texts and authors to question common reference points and critical assumptions. The volume offers not only a new and invigorating space for reimagining Iberian Studies from within, but also - through its commitment to interdisciplinary debate - an opportunity to raise the profile of Iberian Studies outside the community of academic Hispanists. This book has been FULLY updated to reflect PMI's new Exam Content Outline, for any and all PMP exams delivered on or after August 31st of 2011. Can you imagine valuing a book so much that you send the author a Thank You letter? Hundreds of thousands of project managers know and understand why PMP Exam Prep is a worldwide best-seller. Years of PMP exam preparation experience, endless hours of ongoing research, interviews with project managers who failed the exam to identify gaps in their knowledge, and a razor-sharp focus on making sure project managers don't waste a single minute of their time studying are THE reasons this book is the best-selling PMP exam preparation guide in the world. PMP Exam Prep, Seventh Edition contains hundreds of updates and improvements from previous editions--including new exercises and sample questions never before in print. Offering hundreds of sample questions, critical time-saving tips plus games and activities available nowhere else, this book will help you pass the PMP exam on your FIRST try. THE SUNDAY TIMES BESTSELLER AND TIKTOK SENSATION SOON TO BE A NETFLIX FILM 'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of Daisy Jones & The Six in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. The Seven Husbands of Evelyn Hugo is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present

day as two women struggle with what it means and what it costs to face the truth. Don't miss the new novel from Taylor Jenkins Reid, *Carrie Soto is Back*, out now June 07-08, 2018 | London, UK

Daphne is off to an exclusive girls' boarding school, where she'll be given a brand-new start after her expulsion. But St. Rita's school for girls is not your ordinary school. And these are certainly not ordinary girls. As it turns out, nothing is quite what you'd expect at St. Rita's. But then she meets Emily Lime, a crime-solving genius, who's looking for a new library assistant. And the book smart Daphne is just the girl for the job. Mystery and intrigue are about to strike St. Rita's and Emily Lime is going to need all the help she can get... Discover the classic coming of age novel that confronts prejudice and injustice with power and humanity. WITH AN INTRODUCTION BY RITA MAE BROWN

Molly Bolt is a young lady with a big character. Beautiful, funny

and bright, Molly figures out at a young age that she will have to be tough to stay true to herself in 1950s America. In her dealings with boyfriends and girlfriends, in the rocky relationship with her mother and in her determination to pursue her career, she will fight for her right to happiness. Charming, proud and inspiring, Molly is the girl who refuses to be put in a box. Rita Angus: An Artist's Life. For application of the most current Anglo-American Cataloguing Rules, there is but one standard: Maxwell's Handbook for AACR2. This practical and authoritative cataloging how-to, now in its Fourth Edition, has been completely revised inclusive of the 2003 update to AACR2. Designed to interpret and explain AACR2, Maxwell illustrates and applies the latest cataloging rules to the MARC record for every type of information format. Focusing on the concept of integrating resources, where relevant information may be available in different formats, the revised edition also addresses the Program for Cooperative Cataloging (PCC) and the cataloging needs of electronic books and digital reproductions of physical items such as books and maps. From books and pamphlets to sound recordings, music, manuscripts, maps, and more, this is the most comprehensive and straightforward guide to interpreting and applying standard cataloging rules. Learn: How and when to apply the rules What has changed in MARC21 coding How the rules help organize descriptive and bibliographic information What are uniform titles for unusual formats or materials How to select access points Extensive updates have resulted in all-new chapters covering cartographic materials, electronic resources, and continuing resources (formerly called serials). Illustrated with over 490 figures, showing actual MARC catalog records, this is the must-have AACR2 guide for catalogers, LIS students, and cataloging instructors. The thoroughly Revised & Updated 8th edition of the book "Comprehensive Guide to SBI Bank PO Exam" is based on the new pattern - Preliminary and Main. The book covers all the 3 sections asked in the Preliminary Exam and the 4 sections asked

in the Main exam - English Language, Data Analysis & Interpretation, Reasoning & Computers and General/Banking/Economy Awareness. The USP of this new edition is the inclusion of new Questions based on the 2017-18 format of Banking exams. New Variety of High Level Questions have been included are Data Analysis/ Interpretation, Problem Solving, Direction, Input-Output, Coding-Decoding, RC, Filler, Sentence Rearrangement (column based) etc. # The theory of the book has been updated as per the various questions asked in the past examination as conducted by the SBI. # The book provides well illustrated theory with exhaustive fully solved examples for learning. This is followed with an exhaustive collection of solved questions in the form of Exercise. # The book provides separate sections for General Awareness including Banking Knowledge, Computer Knowledge and Marketing Aptitude. # The book incorporates fully solved 2011 - 2019 papers. The full spectrum of emergency medicine captured in one full-color pocket manual

Written by clinicians engaged in the day-to-day practice of emergency medicine, this handy manual is derived from Tintinalli's Emergency Medicine, Eighth Edition, the field's most trusted text. Packing a remarkable amount of information in such a compact presentation, this trusted point-of-care partner is composed of brief chapters focusing on clinical features, diagnosis and differential, and emergency management and disposition. With its unmatched authority and easy-to-use organization, Tintinalli's Emergency Medicine Manual, is the surest, most convenient way to assure skillful and timely patient care in the acute care setting.

- Rich full-color design with an increased number of photos and line drawings
- Numerous tables, making information easy to access
- Completely revised content to match current practice
- Covers both adult and pediatric populations

The most widely used and highly regarded textbook and reference of emergency medicine -- Endorsed by the American College of Emergency Physicians

The 8th edition of

Tintinalli's Emergency Medicine provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine successfully in today's fast-paced environments. It is an important contemporary clinical emergency care resource for physicians, NPs, and PAs who practice emergency medicine and for emergency medicine and pediatric emergency medicine fellows. It remains the preferred study guide for in-training and board examinations and recertification. NEW to this edition:

- Full-color design with more tables than ever to succinctly present key information
- Extensive updates to all sections, incorporating the latest guidelines, evidence-based protocols, and relevant research
- Expanded pediatric section, with complete clinical information for general and pediatric emergency physicians
- Expanded coverage of common emergency department procedures, with improved illustrations
- Online access to more than 30 videos, covering a wide range of procedural and diagnostic topics and focusing on the latest ultrasound-guided techniques

From the reviews of the seventh edition: "Collectively, they have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and practical resource....Last, for the inevitable comparison of this current edition of Tintinalli's Emergency Medicine with other available emergency medicine textbooks available: in my opinion, Tintinalli's still comes out on top. It is more concise and easier to read than some, yet it covers the breadth of emergency medicine practice more comprehensively than others...Just as previous editions did, the seventh presents all of the most pertinent and up-to-date information in a well-organized format that is comprehensive yet easy to read. That and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come."—JAMA

The Church is a faithful custodian of the "Lives of the Saints," of those books which contain the wonderful and glorious deeds of her children who

have lived and died in the odor of sanctity. And she looks on every "Life of a Saint" as a guidebook pointing out the way to Heaven to all Christians, who are only travelers on the way to their true home. After the Bible and the Catechism there is no book more precious in the eyes of Mother Church than a "Life of a Saint." It is the dearest wish of Mother Church that her children should frequently read the lives of the Saints; by so doing they gradually become acquainted with a select society to which, in a great measure, they will be forced to raise the standard of their daily lives. Our Holy Father St. Augustine is a striking example of what the reading of the lives of the Saints may do. A friend of his, Alipius by name, gave him the life of St. Anthony the Abbot. Augustine read it, and was so extremely affected by what he read that it was one main cause of his conversion. Looking down the long calendar of saints, glancing carefully over the Church's long honor list of men and women whose names were held in veneration in their days, we find no name crowned with a greater halo of glory and honor than that of St. Rita, the humble Augustinian nun of Cascia, now venerated under the singular title of the Saint of the Impossible. It is more than 450 years since St. Rita departed this life to be united forever to her Lord and spouse Jesus Christ, and yet her name is still held in benediction, not only among the faithful of Italy, her native country, but also among the faithful of the rest of Europe, who vie with the people of South and North America in honoring and venerating our illustrious Saint. Among the many magnificent "Lives of St. Rita" written by the Italian and Spanish Augustinians, we prefer that written by our brother religious, Father Joseph Sicardo. As his book has had a large propaganda in Spain, the Philippine Islands and in Spanish America, we have hopes that the same book, garbed in an English dress, will help to keep alive that fire of devotion which now burns in the hearts of so many clients of St. Rita in North America. That our translation of Father Sicardo's Life of St. Rita may have the result of further increasing not only the veneration,

but also the number, of the clients of our sister, St. Rita, is our only wish and ambition. *** For the PMBOK Guide - Sixth Edition and PMP Exam released March 26, 2018 ***Countless time and money is spent preparing for the PMP® exam. So why aren't students laser-focused on taking practice exams before attempting the real thing? Reflects the current PMP exam format and the PMBOK® Guide - Sixth Edition! Real-world project management tools and techniques you can start using today! IT professionals are often faced with extremely challenging project deployments, as well as initiatives that are mission-critical to their organizations. For IT project managers, a strong understanding of

the discipline of project management can be invaluable—both to success with individual projects and to their overall careers. However, most books and training materials on project management pay little or no attention to the unique challenges IT project managers face. PM Crash Course™ for IT Professionals is full of project management tools that you can apply immediately to your IT projects—to deliver them on time, on budget, and with fewer headaches. Authored by world-renowned project management trainer Rita Mulcahy, this book will help you get your IT projects back on track using proven, real-world project management tools and techniques. This revolutionary Course in a Book® covers the basics of project management, including planning, scheduling, budgeting, and more. It also moves beyond the basics to cover a number of real-world project management tools and techniques for IT initiatives. The authors provide indispensable practical checklists, templates, and exercises to reinforce your learning of these concepts. The book includes dozens of tricks, insights, and contributions from real project managers sharing what has made a difference for them when managing real-world projects. If you are looking for easy-to-use tools and processes to make an immediate impact on your current IT project, PM Crash Course™ for IT Professionals is the resource for you. Rita Mulcahy, PMP, founder and CEO of RMC Project Management, is the most popular project management author in the world. Since 1991, hundreds of thousands of project managers have utilized her 30+ best-selling books and resources to expand their project management knowledge and further their careers. Real-World Issues Covered:

- Understanding why IT projects fail—and preventing failure
- Defining effective IT project charters and requirements
- Organizing IT roadmaps into manageable projects
- Capturing, creating, and using historical data
- Establishing “soft” and “hard” project metrics and milestones
- Defining project scope, and avoiding scope creep
- Identifying and managing stakeholders and expectations

Choosing the right PM tools for your needs—including in-house, hosted, and cloud-based solutions Librarians who work with readers will find this well-loved guide to be a treasure trove of information. With descriptive annotations of thousands of genre titles mapped by genre and subgenre, this is the readers' advisor's go-to reference. • Helps librarians answer the challenging question "What should I read next?" • Helps LIS students understand popular genres and better select books for which readers are looking • Serves as a starting point for library patrons looking for their next read

Ensure successful construction projects through effective project scheduling and control The success of a construction project is dependent on a schedule that is well-defined yet flexible to allow for inevitable delays or changes. Without an effective schedule, projects often run over budget and deadlines are missed which can jeopardize the success of the project. The updated Construction Project Scheduling and Control, Fourth Edition is a comprehensive guide that examines the analytical methods used to devise an efficient and successful schedule for construction projects of all sizes. This Fourth Edition describes the tools and methods that make projects run smoothly, with invaluable information from a noted career construction professional. Construction Project Scheduling and Control, Fourth Edition offers construction professionals a redefined Critical Path Method (CPM) and updated information on Building Information Modeling (BIM) and how it impacts project control. This Fourth Edition includes worked problems and scheduling software exercises that help students and practicing professionals apply critical thinking to issues in construction scheduling. This updated edition of Construction Project Scheduling and Control: • Includes a revised chapter on the Critical Path Method (CPM) and an all-new chapter on project scheduling and control as viewed through the owner's perspective • Provides numerous worked problems and construction scheduling exercises • Includes an expanded glossary and list of

acronyms • Offers updated instructor materials including PowerPoint lecture slides and an instructor's manual Written for undergraduate and graduate students in construction management, civil engineering, and architecture, as well as practicing construction management professionals, Construction Project Scheduling and Control, Fourth Edition is updated to reflect the latest practices in the field. Beginning in the 1960s, second-wave feminism inspired and influenced dramatic changes in the nursing profession. Susan Gelfand Malka argues that feminism helped end nursing's subordination to medicine and provided nurses with greater autonomy and professional status. She discusses two distinct eras in nursing history. The first extended from the mid-1960s to the mid-1980s, when feminism seemed to belittle the occupation in its analysis of gender subordination but also fueled nursing leaders' drive for greater authority and independence. The second era began in the mid-1980s, when feminism grounded in the ethics of care appealed to a much broader group of caregivers and was incorporated into nursing education. While nurses accepted aspects of feminism, they did not necessarily identify as feminists. Nonetheless, they used, passed on, and developed feminist ideas that brought about nursing school curricula changes and the increase in self-directed and specialized roles available to caregivers in the twenty-first century. MAT 20 years Topic-wise Solved Papers (1997-2016) consists of detailed solutions of the past 20 years of MAT question papers distributed in 55 topics. The book is divided into 5 sections MATHEMATICAL SKILLS, LANGUAGE COMPREHENSION, DATA ANALYSIS AND SUFFICIENCY, INTELLIGENCE AND CRITICAL REASONING and INDIAN AND GLOBAL ENVIRONMENT. These 5 sections are further divided into 55 chapters. The book is also helpful for other exams like CMAT, NMAT, ATMA, IRMA, SNAP, Bank PO, Bank Clerk, SSC, Railways, etc. To summarise, the book is aimed to serve as one stop solution for all major Competitive Exams. The

book contains 5800+ Milestone problems for the major Competitive Exams. The book is fully solved and provides detailed explanation to each and every question. The layout of the book is so simple that a student can prepare/ revise a topic and then solve the previous year questions of that topic from this book.
