**Thank You. I'm Sorry. Tell Me More** Nov 30 2022 Practice the three simple phrases that heal relationships, strengthen connection, and change the world. We all believe that saying, "Thank you," "I'm sorry," and "Tell me more" will help us become better people, friends, partners, employees, neighbors, and global citizens. And yet, having been brought up on rugged individualism, we often slip into self-centeredness and a corresponding sense of entitlement. We have lost the ability to speak with gentleness toward one another. We have replaced kind words that connect us to one another with ones that divide, isolate, and hurt. Everywhere we turn there is deep conflict. In this simple yet profound book, clinical psychologist Rod Wilson introduces us to the sacredness of these familiar but forgotten sayings. What impact do these sayings have on our relationships? When we say, "Thank you," we acknowledge the way others impact us. When we say, "I'm sorry," we acknowledge the way we impact others. When we say, "Tell me more," we acknowledge the way we impact each other. Try it. Read this book and be encouraged and equipped to deliver kindness in your speech. As you engage with these three phrases more thoughtfully and speak them more frequently, you will enjoy a life full of deeper friendships and joy.
