A good night's sleep is essential for our well being and our health, but in our busy lives sleep is often poor and overlooked. Now is the time to stop a while and find consolation and wonder in other worlds where all is well and sleep just a page or two away. From classic stories by Oscar Wilde, Guy de Maupassant and Katherine Mansfield, to friendly tales of our childhoods, to poetry that reminds us of the simple joys of life, this lovingly curated book will soothe a tired mind and gently carry you to the peaceful land of sleep. So switch off, snuggle down and allow yourself to escape into new worlds and old; magical, mysterious and tender realms that will accompany you to your own sweet dreams. Go the F**k to Sleep is a bedtime book for parents. Profane, affectionate, and radically honest, it perfectly capture the familiar tribulations of putting your little angel down for the night. In the process, it opens up a conversation about parenting, granting us permission to admit our frustrations, and laugh at their absurdity. OVER 3 MILLION COPIES SOLD - THE NO.1 BESTSELLER AND TIKTOK SENSATION, FROM THE AUTHOR OF IT ENDS WITH US Are you ready to stay up all night? Rebecca meets Gone Girl in this shocking, unpredictable thriller with a twist that will leave you reeling . . . Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night their family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents would devastate the already-grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her . . . If you loved Verity, don't miss the special collector's edition golden hardback coming this autumn, including an exclusive never-

Profane, unaffectionate, and radically desperate, end-of-their-rope author John Spreincer McKellyanne Huckamucci's verses perfectly capture the familiar--and unspoken--tribulations of putting your little president down for the night. With illustrations by John Spreincer McKellyanne Huckamucci, Stop F**king Tweeting and Go the F**k to Sleep, Mr. President is horrifying, hopeless, and tear ducts-wettingly sad--a book for Americans new, old, and expectant. You probably should not read it to your president. 'A cult figure.' Guardian 'A dark and brilliant achievement.' Ian McEwan 'Shamelessly clever ... Exhilaratingly subversive and funny.' Independent 'A modern classic ... As relevant now as when it was first published.' John Banville A young woman is in love with a successful surgeon; a man torn between his love for her and his womanising. His mistress, a free-spirited artist, lives her life as a series of betrayals; while her other lover stands to lose everything because of his noble qualities. In a world where lives are shaped by choices and events, and everything occurs but once, existence seems to lose its substance and weight - and we feel 'the unbearable lightness of being'. The Unbearable Lightness of Being encompasses passion and philosophy, infidelity and ideas, the Prague Spring and modern America, political acts and private desires, comedy and tragedy - in fact, all of human existence. What readers are saying: 'Some books change your mind, some change your heart, the very best change your whole world ... A mighty piece of work, that will shape your life forever.' 'One of the best books I've ever read ... A book about love and life, full of surprises. Beautiful.' 'This book is going to change your life ... It definitely leaves you with a hangover after you're done reading.' 'A must read - loved it, such beautiful observations on life, love and sexuality.' 'Kundera writes about love as if in a trance so the beauty of it is enchanting and dreamy ... Will stay with you forever.' 'A beautiful novel that helps you understand life better ... Loved it.' 'One of those rare novels full of depth and insight into the human condition ... Got me reading Camus and Sartre.' 'One of the best books I have ever read ... An intellectual love story if ever there was one.' In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY). A novel about the intertwining lives of the denizens of a hotel in an unnamed Latin American country in the midst of political turmoil. A New York Times Bestseller. A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four

friends-the Liars-whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. We Were Liars is a modern, sophisticated suspense novel from New York Times bestselling author, National Book Award finalist, and Printz Award honouree E. Lockhart. Read it. And if anyone asks you how it ends, just LIE. A suburban white boy obsessed by the subcultures of black art and life, Macon Detornay turns his love of black culture into violence against the white passengers of the cab he drives, an anger that he channels into the creation of the Race Traitor Project, a movement of self-loathing white people, aimed at organizing a National Day of Apology. Original. 20,000 first printing. The third installment in Adam Mansbach's international best-selling Go the Fuck to Sleep series addresses, with radical honesty, the family implosion that occurs when a second child arrives. Stop Meowing and Go the F*ck to Sleep is a funny bedtime book for all the desperate cat parents out there. If you have experienced the nightmare of having a kitty who won't let you have a good night's sleep, this is the book for you. It's the perfect gift for crazy cat lovers who appreciate hilarious insights into the feline nature. 'A virtuoso feat ... a book of panoramic breadth' New York Times Book Review 'A devastating analysis ... Wright is a master of knitting together complex narratives' The Observer Just as Lawrence Wright's The Looming Tower became the defining account of our century's first devastating event, 9/11, so The Plague Year will become the defining account of the second. The story starts with the initial moments of Covid's appearance in Wuhan and ends with Joseph Biden's inauguration in an America ravaged by well over 400,000 deaths - a mortality already some ten times worse than US combat deaths in the entire Vietnam War. This is an anguished, furious memorial to a year in which all of America's great strengths - its scientific knowledge, its great civic and intellectual institutions, its spirit of voluntarism and community - were brought low, not by a terrifying new illness alone, but by political incompetence and cynicism on a scale for which there has been no precedent. With insight, sympathy, clarity and rage, The Plague Year allows the reader to see the unfolding of this great tragedy, talking with individuals on the front line, bringing together many moving and surprising stories and painting a devastating picture of a country literally and fatally misled. 'Maddening and sobering - as comprehensive an account of the first year of the pandemic as we've yet seen' Kirkus From the #1 New York Times bestselling author of It Ends With Us comes the beginning of Sky and Dean's passionate love story - where well-kept secrets threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust - and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. Hopeless is a novel that will leave you breathless, entranced, and remembering your own first love. From the author of the international best seller GO THE FUCK TO SLEEP comes a book about the other great parental frustration: getting your little angel to eat something that even vaguely resembles a normal meal. Profane, loving and deeply cathartic, You Have to Fucking Eat breaks the code of child-rearing silence, giving mums and dads new, old, grand- and expectant a much-needed chance to laugh about a universal problem. You probably shouldn't read it to your children. In een stadje bij Londen raakt een vrouw betrokken bij de verdwijning van een andere vrouw. 'Drink Fuck Sleep' is a collection of essays depicting regrettable sexual experiences wherein alcohol was involved either before, during, or after. With gripping, personal accounts of tragic, heart-wrenching, sexually boundless, ultra-erotic, emotionally numbing, mind thrilling, and scintillating experiences, the featured writers narrow the divide between what people project and what they protect. It serves as a series of precautionary tales, as well as proof of life and the parallels of the human condition, regardless of our socioeconomic stations. Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to

usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of A Curse So Dark and Lonely "Action, adventure, sexiness, and angst! From Blood and Ash has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." A daughter describes how her mother has plastic surgery to make herself more beautiful. Sleep Is For The Weak may cause Gina Ford to have contented kittens. It might even force Supernanny to throw herself off the naughty step, but it will certainly provide some welcome comfort and comical light relief to exhausted parents suffering from sleep-deprivation! It features humorous alternatives to 'useful' sleep advice while offering inspiration, laughter and survival strategies for mums and dads struggling to see the light at the end of the tunnel of tiredness. Including chapters 'What to Expect (When Nothing Is Anything Like You Expected When You Were Expecting)' and 'How Not To Lose Friends and Irritate People When You Have Babies', this book will make even the most stressed parent laugh. Combining Emily-Jane's own experiences in emotive detail (the good, the bad and the funny) with a series of tongue-in-cheek guides, charts, subversive imagery and NO-sleep solutions, this is a source of inspiration and hope for new mums and dads. #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do

with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives. For fans of Diary of a Wimpy Kid and Big Nate comes the first book in a side-splitting illustrated series from comedian and film star Craig Robinson, #1 New York Times bestselling author Adam Mansbach, and NAACP History Maker recipient and cartoonist Keith Knight. Jake can barely play an instrument, not even a kazoo. And his art? It's better suited for Pictionary than Picasso. Which is a real problem because Jake just faked his way into the Music and Art Academy for the gifted and talented (and Jake is pretty sure he is neither). More jokester than composer, Jake will have to think of something quick before the last laugh is on him. Featuring more than 160 illustrations, Jake the Fake is sure to bring the laughs with his hilarious high jinks! Clinical practice related to sleep problems and sleep disorders has been expanding rapidly in the last few years, but scientific research is not keeping pace. Sleep apnea, insomnia, and restless legs syndrome are three examples of very common disorders for which we have little biological information. This new book cuts across a variety of medical disciplines such as neurology, pulmonology, pediatrics, internal medicine, psychiatry, psychology, otolaryngology, and nursing, as well as other medical practices with an interest in the management of sleep pathology. This area of research is not limited to very young and old patients—sleep disorders reach across all ages and ethnicities. Sleep Disorders and Sleep Deprivation presents a structured analysis that explores the following: Improving awareness among the general public and health care professionals. Increasing investment in interdisciplinary somnology and sleep medicine research training and mentoring activities. Validating and developing new and existing technologies for diagnosis and treatment. This book will be of interest to those looking to learn more about the enormous public health burden of sleep disorders and sleep deprivation and the strikingly limited capacity of the health care enterprise to identify and treat the majority of individuals suffering from sleep problems. The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care. A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4" blue-eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra-large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic-induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating. Named one of the 20 Greatest New Father's Day Gifts by Advocate.com! "No matter what the country or the language, parents all over the world—loving, frustrated, exhausted parents—know what Adam Mansbach means. Since 2011, his comically obscene picture book has sold more than 1.5 million copies in dozens of languages from Afrikaans to Japanese to Nynorsk. And later this year, his little book will venture into new territory with a Jamaican patois translation: 'Go de R-s to Sleep.'" --The Washington Post/Style Blog "This version of Adam Mansbach's profane, affectionate, and radically honest book will remind whole

new audiences about the absurdities of parenting. Just don't read it to the kids." --Advocate.com, The 20 Greatest New Father's Day Gifts Praise for Go the Fuck to Sleep: "A new Bible for weary parents." --New York Times "Incredibly appealing." --NPR "A parenting zeitgeist...A phenomenon that has stunned the publishing world and may just redefine the modern 'parenting' market." --Washington Post "Delightfully obscene." --Newsweek "Nothing has driven home a certain truth about my generation, which is approaching the apex of its childbearing years, quite like this deranged book." --New Yorker The best-selling Go the F*** to Sleep has been translated into over thirty languages worldwide. Now it is finally translated for Jamaican and other Caribbean parents of the world. Given how many West Indians live in the US and Canada, the market for this book should be broad, but focused mainly on areas with a large Caribbean community. Go de Rass to Sleep is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, California Book Award-winning author Adam Mansbach's verses perfectly capture the familiar--and unspoken--tribulations of putting your little angel down for the night. In the process, they open up a conversation about parenting, granting us permission to admit our frustrations, and laugh at their absurdity. With illustrations by Ricardo Cortés, Go de Rass to Sleep is beautiful, subversive, and pants-wettingly funny--a book for parents new, old, and expectant. You probably should not read it to your children. The ruthlessly engrossing and beautifully rendered story of the Brodskys, a family of artists who realize, too late, one elemental truth: Creation's necessary consequence is destruction. Each member of the mercurial clan in Adam Mansbach's bold new novel faces the impossible choice between the people they love and the art that sustains them. Tristan Brodsky, sprung from the asphalt of the depression-era Bronx, goes on to become one of the swaggering Jewish geniuses who remakes American culture while slowly suffocating his poet wife, who harbors secrets of her own. Nina Hricek, a driven young Czech photographer escapes from behind the Iron Curtain with a group of black musicians only to find herself trapped yet again, this time in a doomed love affair. And finally, Tris Freedman, grandson of Tristan and lover of Nina, a graffiti artist and unanchored revolutionary, cannibalizes his family history to feed his muse. In the end, their stories converge and the survival of each requires the sacrifice of another. The End of the Jews offers all the rewards of the traditional family epic, but Mansbach's irreverent wit and rich, kinetic prose shed new light on the genre. It runs on its own chronometer, somersaulting gracefully through time and space, interweaving the tales of these three protagonists who, separated by generation and geography, are leading parallel lives. A gift book for parents that will have them laughing even as they cry. A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font. Aren't babies precious? With thrilling chills and crackling suspense, The Dead Run is an edgy novel set in the netherworld of the Mexican-American border from Adam Mansbach, the #1 New York Times bestselling author of Go the F**ck to Sleep and Rage Is Back. On both sides of the border, girls are going missing and bodies are beginning to surface. It's a deadly epidemic of crime that plunges a small-town police chief into a monster of an investigation he's not equipped to handle. An ancient evil has returned, and now everyone—the innocent and the guilty—must face their deepest terrors. With The Dead Run Adam Mansbach delivers an eerie high-concept thriller, mixing horror, the supernatural, and suspense in a chilling, high-octane read. It turns out that two is a million more kids than one. Adam Mansbach famously gave voice to two of parenting's primal struggles in Go the Fuck to Sleep and You Have to Fucking Eat. Now Fuck, Now There Are Two of You tackles a new addition to the family and all the fears and frustrations attendant to the simple, math-defying fact that two is a million more kids than one. As you probably know by now, you shouldn't read it to a child. The authors definitive edition of this unmissable first novel from bestselling and award-winning author of THE FAULT IN OUR STARS and TURTLES ALL THE WAY DOWN. Contains: • a brand-new introduction from John Green • never-before-seen passages from original manuscript • a Q&A with the author, responding to fans' favourite questions The next book in Lauren Asher's hot and sexy Dreamland Billionaires series Declan and Iris's story is coming soon... Terms and Conditions is the second book in a series of spicy standalone novels featuring three billionaire brothers. Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice...even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date. All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him. A swearsy journal for insomniacs, Caitlin Peterson's F*ck, I Can't Sleep!... Before they Go the Fuck to Sleep, they need to Shut the Fuck Up If you give a kid a cookie, will he shut the fuck up? That is the question at the heart of this hilarious, deeply honest, profanity-laced book for parents who will do whatever it takes for a moment's peace. What really happens when you give in to your child's tantrums? The events that follow this seemingly simple act will test parents to the breaking point...while entertaining the millions of us who have been there ourselves (and lived to tell). Also a cautionary and instructive tale for new parents, If You Give a Kid a Cookie, Will He Shut the F**k Up? is a must-have for every family library collection. Just keep it on the top shelf. Go the F*ck to Sleep is a book for hard working parents who struggle away every night to put their children to sleep. This book understands the innermost frustrations and anger of the parents who go through the bedtime lullaby ordeals every night to put their kids to sleep. The illustrations and poems are beautiful and funny. Experience Go the F*ck to Sleep today!
