Today's disaster--firestorms, floods, hurricanes, earthquakes, pandemics, terrorists--are too big to wait it out at home or hope the government will bail you out. The smart thing is to GET OUT before it is too late. This book tell you how to plan, prepack, preroute and implement your escape from danger. A conflict of loyalties between Gene and his fearless friend, Phineas, leads to tragedy Many thousands of different types of vehicles were used by the armies during the Second World War for various roles, including the fighting vehicles such as armoured cars and tanks. Today these are very popular with enthusiasts who restore these historic vehicles to their pristine state and attend specialist gatherings around the UK, Europe and the USA. This book explores original and reconstructed military vehicles from British, US, Russian, Italian and German forces using stunning colour photographs.

It also provides a detailed history of each vehicle's development and use in the war, plus a wealth of technical information and rare internal shots. The range of vehicles includes trucks, ambulances, half-tracks, motorcycles, bulldozers, armoured cars and of course the impressive range of tanks, from tankettes to the fearsome German Tiger. Some vehicles are so rare that examples have been recreated using designs of the era and together with the original vehicles their fascinating wartime experiences are revealed. From the Moto Guzzi tricycle to the Schwimmwagen, the T-34 to the Austin ambulance, this is the perfect book for recreating, restoring and exploring the history of these classic military vehicles. Author Trenton McGee, 4x4 suspension expert and host of Outdoor Channels Off-Road Adventures, explains 4x4 suspension systems in an easy-to-understand manner. He gets specific on types of suspensions available from all the major manufacturers including Jeep, Toyota, Ford, Chevy, and Dodge. He goes into a great level of detail on every different model, including early and modern model systems. Owens provides precise, easy-to-follow instructions for 1975 to 1987 two- and four-wheel-drive pickups, 4-Runners, and cab-and-chassis models. Illustrated.
