Leah and Erica have been best friends and have
gone to the same Catholic school since just
about forever. Leah spends so much time with
the Nolan's—just Erica and her handsome
father, now, since Erica's mother died—that
she's practically part of the family. When the
girls find something naughty under Mr. Nolan's
bed, their strict, repressive upbringing makes it
all the more exciting as they begin their sexual
experimentation. Leah's exploration presses
deeper, and eventually she finds herself torn
between her best friend and her best friend's
father—but even she couldn't have predicted
the shocking and bittersweet outcome of their
affair. Warnings: This title contains erotic
situations, lesbian sex, some very naughty
taboo sex, sex toys, and also makes mention of
pornography, salmon, amusement parks,
chocolate covered strawberries, brownies (as
well as girl scouts), plaid skirts, naughty uses
for confessionals and some sacrilegious humor.

Mount Tengi to find a way for all of them to

the mad high priest, Prince Lotane? "An
original study of Gauguin's writings, unfolding
their central role in his artistic practice and
negotiation of colonial identity. As a French
artist who lived in Polynesia, Paul Gauguin
(1848-1903) occupies a crucial position in
histories of European primitivism. This is the
first book devoted to his wide-ranging literary
output, which included journalism, travel
writing, art criticism, and essays on aesthetics,
religion, and politics. It analyzes his original
manuscripts, some of which are richly
illustrated, reinstating them as an integral
component of his art. The seemingly haphazard,
collage-like structure of Gauguin's manuscripts
enabled him to evoke the "primitive" culture
that he celebrated, while rejecting the style of
establishment critics. Gauguin's writing was
also a strategy for articulating a position on the
margins of both the colonial and the indigenous
communities in Polynesia; he sought to protect
Polynesian society from "civilization" but
remained implicated in the imperialist culture
that he denounced. This critical analysis of his
writings significantly enriches our
understanding of the complexities of artistic
encounters in the French colonial context."--
